**Reasons why public interest favours withholding information**

Whilst releasing the majority of the FA will further the public understanding of Academies the whole of the FA cannot be revealed. If annex 5 were to be revealed under the Freedom of Information Act the DfES’ commercial interests would be prejudiced, which could result in the less effective use of public money.

7) In consideration of the Academy Trust undertaking to establish and maintain, and to carry on or provide for the carrying on, of an independent school to be known as the Harris Academy Merton ("the Academy") and having such characteristics as are referred to in clauses 8 - 9, the Secretary of State agrees to make payments to the Academy Trust in accordance with the conditions and requirements set out in this Agreement. Any obligations imposed upon or powers given to the Academy by this agreement are also imposed upon the Academy Trust.

CHARACTERISTICS OF AN ACADEMY

8) The characteristics of an Academy set down in section 482 (2) of the Education Act 1996 as substituted by the Education Act 2002, are that the school:

a) has a broad curriculum with an emphasis on a particular subject area, or particular subject areas, specified in the agreement, and

b) provides education for pupils of different abilities and who are wholly or mainly drawn from the area in which the school is situated.

CONDITIONS OF GRANT

General

9) Section 482(4) of the Education Act 1996 provides for the agreement to specify
other conditions and requirements. These conditions in respect of the Academy are that:

a) the school will be at the heart of its community, sharing facilities with other schools and the wider community;

b) there will be assessment in the core subjects of the national curriculum at Key Stage 3, and the opportunity to study for external qualifications as defined by section 96 of the Learning and Skills Act 2000;

c) the admissions policy and arrangements for the school will be consistent with admissions law, and the DfES Codes of Practice, for maintained schools;

10) The Academy will be governed by a governing body ("the Governing Body") who are the directors of the company constituted under the Memorandum and Articles of the Academy Trust. The Governing Body shall exercise its powers and functions with a view to fulfilling a largely strategic role in the running of the school and shall consider any advice given by the headteacher. The Governing Body may exercise its powers and fulfil its functions through its servants or agents.

11) Subject to the Memorandum and Articles, and to this Agreement, the Governing Body may regulate its own procedure and that of any of its committees.

**Conduct**

12) The Academy shall be conducted in accordance with:

13) The Academy shall draw up a School Development Plan each year in accordance
with a format and timetable to be advised by the Secretary of State. The School Development Plan shall, in particular:

b) describe the Academy’s proposals to work with other schools and with the wider community.

14) The Academy shall set such targets in areas to be specified by the Secretary of State each year. The target areas for the initial year shall be:

a) percentage of pupils achieving five or more GCSEs at grades A* - C; and

b) percentage of pupils achieving level 5 or above at Key Stage 3 in English, maths, science and ICT.

15) The Academy shall consult the Secretary of State and the LEA in whose area it is situated each year before setting these targets and shall take into account but not be bound by any comments received from the Secretary of State and/or the LEA. The Academy shall set its targets in accordance with the timetable for target setting which applies to maintained schools.

Pupils

16) The Academy is an all ability and inclusive school. The arrangements for:

a) the admission of pupils to the Academy; and

b) the admission of and support for pupils with Special Educational Needs and with disabilities (for pupils who have and who do not have statements of Special Educational Needs) (including the appointment of a responsible person);

are set out in Annexes 2 and 3 to this Agreement, together with the arrangements for making changes to such arrangements, including the requirement to secure the consent of the Secretary of State, such consent not to be unreasonably withheld. Arrangements for pupil exclusions are set out in Annex 4.

Teachers and other staff

17) The Academy Trust shall not engage anyone under a contract of employment or for services to carry out planning and preparing lessons and courses for pupils, delivering lessons to pupils, assessing the development, progress and attainment of pupils, and reporting on the development, progress and attainment of pupils ("specified work") who is not -

18) The Governing Body shall ensure that all teachers employed at the Academy have access to the Teachers Pension Scheme and, in so doing, will comply with the statutory provisions underlying the scheme.

19) The Governing Body shall ensure that all employees other than teachers have access to the Local Government Pension Scheme.

20) It shall be the responsibility of the Governing Body to agree levels of pay and conditions of service with its employees, and to determine and employ such numbers of staff as may be appropriate. The Governing Body shall approve policies for:

a) staffing structure, and staff remuneration; and

b) staff discipline, and performance management.

**Curriculum, curriculum development and delivery and RE and collective worship**

21) The curriculum provided by the Academy to pupils up to the age of 16 shall be broad and balanced with an emphasis on Enterprise and Sports. The core subjects of the National Curriculum must be taught to all pupils in years 7 - 11 except where, in the opinion of the principal, it is inappropriate for an individual pupil or groups of pupils to be taught one or more of those subjects.

22) The Academy shall make provision for the teaching of Religious Education and for a daily act of collective worship.

23) Subject to clause 25, provision shall be made for Religious Education to be given to all pupils at the Academy in accordance with the requirements for agreed syllabuses in section 375(3) of the Education Act 1996 and paragraph 2(5) of Schedule 19 to the School Standards and Framework Act 1998, and having regard to the requirements of the Qualifications and Curriculum Authority’s national framework for religious education in schools.

24) Subject to clause 25, the Academy shall comply with the requirements of section 70(1) of, and Schedule 20 to, the School Standards and Framework Act 1998 as if it were a community, foundation or voluntary school which does not have a religious character, except that the provisions of paragraph 4 of that Schedule do not apply. The Academy may apply to the Secretary of State for consent to be relieved of the requirement imposed by paragraph 3(2) of that Schedule, the Secretary of State’s consent to such an application not to be unreasonably withheld or delayed.

25) Section 71(1) - (4) of the School Standards and Framework Act 1998 shall apply as if the Academy were a community, foundation or voluntary school, and as if references to “religious education” and to “religious worship” in that section were references to the religious education and religious worship provided at the Academy in accordance with clauses 23 and 24 respectively.

26) The Academy shall have regard to any guidance issued by the Secretary of State on
Sex and Relationship Education to ensure that children are protected from inappropriate teaching materials and they learn the nature of marriage and its importance for family life and for bringing up children.

**Assessment**

27) The Academy shall register with the Qualifications and Curriculum Authority for the purposes of arranging for all eligible pupils to take part in the national curriculum assessment system at the end of the Key Stage 3 programmes of studies. This includes arranging for pupils to take the English, Maths and Science tests and for teacher assessments of pupils' performance in those subjects.

28) The Academy may not offer courses which lead to external qualifications, as defined in section 96 of the Learning and Skills Act 2000, unless they are either approved under section 98 of that Act, or, in respect of individual pupils, groups of pupils or all pupils in Key Stage 4, the Secretary of State gives specific consent for such courses to be offered.

**School meals**

29) The Academy shall, if requested to do so by or on behalf of any pupils at the Academy provide school lunches for those pupils unless it would be unreasonable for them to do so. Subject to the provisions of clause 30 charges may be levied for lunches.

30) In relation to a pupil who is himself or whose parents are in receipt of benefits mentioned in section 512(3)B of the Education Act 1996 (or equivalent provision governing the entitlement to free school lunches of pupils at maintained schools), the Academy shall ensure that a school lunch is provided for such a pupil, which shall be provided free of charge.

**Charging**

31) Sections 402 (Obligation to enter pupils for public examinations), 450 - 457 (charges), 459 (regulations about information about charges and school hours) and 460 (voluntary contributions), 461 (recovery of sums as civil debt) - 462 (Interpretation re charges) of the Education Act 1996 shall be deemed to apply to the Academy with the following modifications:

a) references to any maintained school shall be treated as references to the Academy;

b) references to registered pupils shall be treated as references to registered pupils at the Academy;

c) references to the governing body or the local education authority shall, in each case, be treated as references to the governing body of the Academy;

d) the charging and remissions policies required to be determined under section 457, and any amendment thereto, shall require the approval of the Secretary of State; and

e) the Academy may charge persons who are not registered pupils at the Academy for education provided or for facilities used by them at the Academy.
Provision of Information to parents and others

32) The Academy shall publish a prospectus annually, shall send this on request (free of charge) to parents of pupils at the Academy and to the Secretary of State; and shall make it available for inspection by other persons at the Academy. The prospectus shall include details of admission arrangements and, except insofar as such information is published in a document known as a School Profile (which would accompany the prospectus) the following:

a) details of the curriculum offered, of assessment arrangements and of the results of attainment tests and public examinations at school level, but this shall not include details of individual pupils' attainment and examination results;

b) details of any religious affiliation of the school; policy on providing for children with SEN; arrangements for pupils with disabilities (as specified in Annex 3 to this agreement); pupil absence rates; and destination of school leavers; and

c) such other information as the Governing Body may determine;

d) any further information as set out in Schedule 3 of the Education (School Information) (England) Regulations 2002 (SI 2002/2897) as applies to maintained schools.

33) The prospectus shall be published in the school year immediately preceding the school year to which it relates and shall be published at least six weeks before the closing date for applying for a place.

GRANTS TO BE PAID BY THE SECRETARY OF STATE

General

34) The Secretary of State shall pay grants under this Agreement towards capital and recurrent expenditure. Except with the Secretary of State's prior agreement, the Academy Trust shall not budget for expenditure in any year in excess of expected income. The Academy Trust shall not enter into commitments which are likely to have substantial implications for future levels of grant, or for the period for which grant may be required. No decision by the Trust shall commit the Secretary of State to paying any particular amount of grant.

35) "Recurrent expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of capital expenditure set out at clause 36. The Secretary of State shall pay two separate and distinct grants under the Agreement in respect of recurrent expenditure: General Annual Grant (GAG) and Earmarked Annual Grant (EAG).

CAPITAL GRANT

36) "Capital expenditure" means expenditure on:

   a. the acquisition of land and buildings;
b. the erection, enlargement, improvement or demolition of any building including fixed plant, installation, wall, fence or other structure, or any playground or hard standing;

c. the installation of electrical, mechanical or other services;

d. the purchase of vehicles and other self-propelled mechanical equipment;

e. the installation and equipping of premises with furnishings and equipment, other than necessary replacements, repairs and maintenance due to normal wear and tear;

f. the installation and equipping of premises with computers, networking for computers, operating software and information and communication technology equipment, other than necessary updates or necessary replacements, repairs and maintenance due to normal wear and tear;

g. the provision and equipping of premises, including playing fields and other facilities for social activities and physical recreation;

h. works of a permanent character other than the purchase or replacement of minor day-to day items;

i. any major repairs or replacements which are specified as constituting capital expenditure in any grant letter relating to them;

j. such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of the Agreement;

k. all professional fees properly and reasonably incurred in connection with the provision of any of the above;

l. VAT and other taxes payable on any of the above.

"Capital grant" means grant paid under the Agreement in respect of capital expenditure.

Capital Expenditure Necessary to Establish the Academy

37) (a) The Academy Trust and the Secretary of State have agreed that the amount of capital expenditure necessary to provide for the refurbishment and capital development of the Academy is capped at £5 million ("the Total Project Cost").

37) (b) The Secretary of State will bear £4.5 million of the Total Project Cost and the Academy Trust will bear £500,000 of the Total Project Cost

37) (c) The Academy opens on the first day that its pupils attend school at the Academy. In addition, the Academy Trust and the Secretary of State have
agreed that it is necessary to incur capital expenditure for the undertaking of minor capital works to facilitate the opening of the Academy (Pre-Opening Works). The parties agree that:

(i) the cost of the Pre-Opening Works will not exceed £100,000 (Pre-Opening Works Cost);
(ii) the Secretary of State will bear the Pre-Opening Works Cost;
(iii) no expenditure for Pre-Opening Works will be incurred after the opening of the Academy;
(iv) no expenditure for Pre-Opening Works will be incurred without the written consent of the Secretary of State, [unless such expenditure consists of an individual item of expenditure below £20,000 in value];
(v) any unauthorised expenditure in contravention of clauses 37(c) (i) to (iv) above, will be borne entirely by the Academy Trust;
(vi) the Academy Trust must submit a claim for payments for Pre-Opening Works to the Secretary of State in the notified format with supporting invoices and certificates as requested by the Secretary of State from time to time. Payments for Pre-Opening Works will be paid within 21 days from the day on which a claim for payment is received if the claim is in the proper format, supported by the appropriate documentation and the conditions of this clause 37(c) have been met. If a dispute arises as to whether a payment is acceptable or not both parties undertake to attempt to resolve it in good faith;
(vii) the Total Project Cost does not include any costs incurred for Pre-Opening Works;
(viii) the capital expenditure for Pre-Opening Works is not subject to the provisions of clause 38-42 below.

38) The Academy is planned to open in September 2006 and it has not been practicable for the Academy Trust and the Secretary of State to agree, prior to the making of the Agreement, the various detailed matters in respect of which capital expenditure is to be incurred from the Total Project Cost, including:

(a) the detailed Capital Cost Spreadsheet, showing the limit of the capital costs that may be incurred in order to provide for the refurbishment and capital development of the Academy;
(b) the Capital Cash Flow Programme showing the projected cash flow of capital expenditure by the Academy Trust after the execution of this Agreement;
(c) the arrangements for payments (including the timing) of the capital expenditure;
(d) the architect’s drawings and material specifications for the construction/refurbishment of the Academy.

Accordingly, the parties agree to negotiate with a view to reaching agreement on such matters as soon as practicable and in any event not later than 31st December 2007 and any such agreement made pursuant to this clause 38 shall be known as the ‘supplementary agreement’.

39) Subject to Clause 40, the Academy Trust may enter into any agreement with any third party which will require the expenditure of capital grant on the new Academy (“Third Party Contract”) on the condition that it does so in an open manner.
consistent with EU and domestic procurement law by either engaging in the proper OJEU notice procedure or calling off the framework contract of the Department for Education and Skills. The Academy Trust shall provide copies of any Third Party Contract to the Secretary of State immediately after execution.

40) The Academy Trust shall ensure that the aggregate amount of its own expenditure prior to the opening of the new Academy buildings and that incurred under any third party contract does not exceed the Total Project Cost. In achieving this purpose, the Academy Trust shall:

(a) only award Third Party Contracts with a price that shall ensure this requirement is met; and

(b) make it a condition of any Third Party Contract that the third party shall, at the request of the Secretary of State, enter into an agreement with the Secretary of State whereby that third party agrees not to increase or attempt to increase the overall price of the Third Party Contract under any circumstances, without the Secretary of State’s consent.

Other Capital Expenditure

41) Any capital expenditure during the life of this Agreement beyond the Total Project Cost referred to in clause 37 on which grant payments are sought from the Secretary of State will require the specific agreement of the Secretary of State. Such consent shall not be unreasonably withheld. Unless the Academy Trust undertakes to meet such capital costs entirely itself such approved costs as are incurred will be shared in a proportion to be agreed between the Secretary of State and the Academy Trust in relation to, and having regard to the nature of, each such capital project. Notwithstanding the preceding sentence, the proportion contributed by the Secretary of State will not be expected to exceed the proportion mentioned in the relevant clause of the supplementary agreement save that any capital expenditure required in order to meet the requirements of legislation enacted or made after the date of this Agreement shall be funded at least to the percentage referred to in the relevant clause of the supplementary agreement by the Secretary of State.

Conditions on Capital Grant

42) Any payment of capital grant under the Agreement is subject to the fulfilment of the following conditions:

a. such grants are used to provide accommodation constructed and equipped to standards agreed by the Secretary of State as specified in the agreement made pursuant to clause 38 of this agreement, or to defray other expenditure approved by the Secretary of State;

b. the payment of such grants is subject to the Academy Trust certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure to be completed have been obtained or put in place.

a) the agreement specified in clause 38 being executed by the 30th June 2007, with the
fall-back date by which the agreement must be executed, of the 31st December 2007.

**Arrangements for Payment of Capital Grant**

43) Capital grant will be paid monthly by the Secretary of State to the Academy Trust. Each month the Academy Trust must submit a claim for grant to the Secretary of State in the notified format with supporting invoices and certificates as requested by the Secretary of State from time to time. Capital grant will be paid within 21 days from the day on which a claim for grant is received if the claim is in the proper format, supported by the appropriate documentation and the conditions on its payment set out at clause 42 are complied with. If a dispute arises as to whether a grant claim is acceptable or not both parties undertake to attempt to resolve it in good faith.

**Implementation Grant**

44) The Secretary of State shall pay grant (known as “implementation grant”) towards the establishment of the Academy. Implementation grant covers the recurrent expenditure that the parties agree is necessary to establish and open the Academy.

45) The Academy Trust shall prepare and submit to the Secretary of State for approval an Implementation Budget showing recurrent costs to be incurred before the Academy opens and for which grant is sought. The approved Implementation Budget Cashflow is attached as Annex 5 to the Agreement and shows the limits of the recurrent expenditure and the projected cashflow which the parties have agreed the Academy Trust is permitted to incur in order to establish the Academy.

46) Both parties recognise that as the project develops it may be necessary to revise individual costs in the Implementation Budget and to move costs between budget headings in order to ensure that the project remains within its approved budget. Where the Academy Trust wishes to make such an adjustment of over £10,000, the reason for the change and a revised Implementation Budget must be submitted to the Secretary of State for approval.

**Arrangements for Payment of Implementation Grant**

47) The Secretary of State will pay implementation grant in accordance with the approved Implementation Budget. Payments will be made by monthly instalments. The Academy Trust shall submit to the Secretary of State by the 10th of each month a grant claim in a form specified by the Secretary of State. If the grant claim is acceptable the Secretary of State undertakes to pay the amount due by the 25th of the month. If a dispute arises over whether a grant claim or part of it is acceptable, both parties undertake to attempt to resolve the dispute in good faith.

48) Any amount of approved implementation grant in respect of which the expenditure has not been incurred by the Academy Trust, by the date on which the Academy opens, will lapse and no implementation grant will be payable in respect of that part of the approved implementation budget. Any amount of implementation grant which has been paid but remains unexpended on relevant expenditure by the date on which the Academy opens will, without prejudice to any other mode of recovery, be
taken into account in determining the total amount of grant to be paid to the Academy after it has opened. Any amount of implementation grant which is found to have been used on ineligible expenditure will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Academy.

**General Annual Grant**

49) General Annual Grant will be paid by the Secretary of State to the Academy Trust in order to cover the normal running costs of the Academy. These costs will include, but are not limited to:

a. teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);

b. non-teaching staff salaries and related costs (including educational support staff, administrative and clerical staff and manual and premises related staff);

c. employees' expenses;

d. the purchase, maintenance, repair and replacement of teaching and learning materials and other educational equipment including books, stationery, ICT equipment and software, sports and laboratory equipment and materials, other supplies and services;

e. examination fees;

f. repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;

g. insurance;

h. medical equipment and supplies;

i. staff development (including in-service training);

j. curriculum development;

k. the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them) and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);

l. administration;
m. establishment expenses and other institutional costs.

50) Subject to clauses 53 to 55, GAG for each financial year of the Academy Trust will be the total of the following areas of funding:

a. Formula Funding: Funding comparable to the level of funding which would be provided through the funding formula of the LEA in whose area the Academy is situated, to a maintained school which had all of the Academy’s relevant characteristics, including its number of pupils;

b. LEA Holdback: Funding representing a proportion of the LEA Education Budget money which the LEA would be able to retain, from the non-delegated elements of the Schools Block and the relevant items in the LEA Block, if the Academy were a maintained school. The proportion which this funding will represent will be based on the elements of the LEA’s Section 52 Budget Return which are relevant to the Academy.

c. Specialist Schools Allowance: Funding equivalent to that which a maintained school with the Academy’s characteristics would receive in respect of their participation in the specialist schools programme;

51) The GAG for the Academy will also include the following areas of funding for as long as they are necessary and equivalent funding is provided to maintained schools:

a. LGPS contributions: Whilst it is necessary for the Academy to incur extra costs in order to be a member of the LGPS scheme due to having a small number of employees partaking in the scheme, the Secretary of State will pay an extra amount of grant in respect of these costs each financial year. Both parties acknowledge that new ways of working are being explored to lessen these costs and if these are successful this element of GAG will reduce or cease accordingly;

b. School Standards Grant: Whilst this direct grant for maintained schools (Direct Grant to Schools) is paid by DfES, the Academy will receive an equivalent amount as part of its GAG each financial year;

c. Teachers Threshold Payments: Whilst maintained schools receive a separate grant from DfES in respect of teachers threshold payments, the Academy will receive funding on the same basis as maintained schools for all of its teachers which are entitled to threshold payments.

d. Relevant New Grants for Maintained Schools: Where the Secretary of State starts to pay new grants (which are not standards fund grants) for specific programmes in maintained schools which are relevant to Academies, the Academy will receive funding on a similar basis.

52) The basis of the pupil number count for the purposes of determining the Academy’s GAG will be the Governing Body’s estimate in November for numbers on roll in the following September. The basis of the GAG calculation, including any annual re-pricing which may be necessary, will be set out in the annual letter of funding except
that the level of Teachers Threshold Payments will not be included in the letter and will depend on the information provided by the Academy in that financial year regarding how many teachers are entitled to the payments and at what level.

53) The Secretary of State reserves the right to make in year adjustments to the level of GAG payable to the Academy Trust in the following circumstances:

a. pupil numbers are 10% or more below estimates;
b. pupil numbers are 5% or more above estimates;
c. additional grants relevant to the Academy are made by the Secretary of State to maintained schools.

The Academy Trust should notify the Secretary of State if at any stage in the year pupil numbers vary from the estimates by the amounts set out in clause 53(a) or (b). The Secretary of State will base his assessment of the variation of pupil numbers on information provided by the Academy Trust and data from the school census' in September and January each year. The adjustments to the level of GAG may be in respect of any element of the GAG.

54) The Secretary of State recognises that:

a. in relation to Academies which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the years before all age groups are present at their planned size (the "start-up period") because of a lack of economies of scale. The Secretary of State undertakes to pay an appropriately larger GAG in the start-up period than would be justified solely on the basis of the methods set out in clauses 50 and 51, in order to enable the Academy to operate effectively. The Academy will make a bid to the Secretary of State for this addition to GAG, based upon need and providing appropriate supporting evidence;

b. in relation to Academies which open with pupils transferred from one or more LEA-maintained schools which have closed, additional GAG resources will be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and - where necessary - to offer a dual curriculum.

55) During the start-up period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 50 and 51 to allow the Academy to:

a. purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
b. meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the start-up period these costs will be met through the ordinary GAG.

56) The Secretary of State recognises that if he serves notice of intention to terminate this Agreement under clause 87 the intake of new pupils during the 7 year notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG in the notice period than would be justified solely on the basis of the methods set out in clauses 50 and 51, in order to enable the Academy to operate effectively.

**Earmarked Annual Grant**

57) Earmarked Annual Grant shall be paid by the Secretary of State to the Academy Trust in respect of either recurrent or capital expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Academy Trust and as described in the relevant funding letter. The Academy is free to determine how best to use each of its EAGs within the scope of the grant set out in the relevant funding letter.

58) Where the Academy Trust is seeking a specific EAG in relation to any financial year, it shall submit a letter outlining its proposals and the reasons for its request to the Academies Division, Sanctuary Buildings, Great Smith Street, London SW1P3BT, by 15th February preceding the financial year in question.

**Arrangements for Payment of GAG and EAG**

59) The Secretary of State shall notify the Academy Trust in December preceding the start of each financial year of the GAG and EAG figures which, subject to Parliamentary approval, the Secretary of State plans for that year and of the assumptions and figures on which these are based.

60) The amount of GAG for an Academy financial year will be determined annually by the Secretary of State. The amount of GAG will be notified to the Academy Trust in a funding letter not later than 1 April preceding that financial year ("the annual letter of funding"). The annual letter of funding will not include the amount that the Academy Trust will receive in respect of Teacher Threshold Payments whilst that grant is paid as a separate payment that will be notified later in the year on a date to be agreed. Amounts of EAG will be notified to the Company according to an agreed programme.

61) For the purposes of this Agreement, the Academy's financial year shall be deemed to run from September to August, in order to align it to the school academic year. The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty-fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the annual letter of funding.
Other relevant funding

62) The Secretary of State shall meet a proportion of the costs arising from the inclusion of Academies in the Schedules to the Redundancy Payments (Continuity of Employment in Local Government) (Modification) Order 1999. The Secretary of State shall meet the costs of the employee's prior eligible service and the Academy Trust shall meet the costs of service in the Academy. The Academy shall seek the Secretary of State's consent for these redundancies, such consent not to be unreasonably withheld, before committing to the redundancies.

63) The Secretary of State may meet costs incurred by the Academy Trust in connection with the transfer of employees from a predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 1981. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Academy Trust shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.

64) The Academy Trust may also receive funding from LEAs in respect of the provision detailed in statements of special educational needs for pupils attending the Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Academy shall ensure that all provision detailed in statements of SEN is provided for such pupils.

65) The Academy Trust should also receive funding from the LEA in whose area it is located, from the Standards Fund. The scheme under which the Standards Fund money is to be distributed by the Secretary of State to LEAs and schools will permit LEAs to receive grants on behalf of Academies in the same way as they can do for maintained schools. The Academy must use any grants received under the Standards Fund in accordance with any conditions specified in relation to that grant. Grants paid to the Academy Trust from the Standards Fund are not paid under this Agreement.

Financial and Accounting Requirements

66) The headteacher shall be the Academy's Accounting Officer. The Accounting Officer will be personally responsible to the Trustees for ensuring regularity and propriety, and for the economic, efficient and effective use of resources (i.e. ensuring value for money), and administration of the financial affairs of the Academy. The Accounting Officer may delegate or appoint others, such as a Finance Director, to assist in carrying out these responsibilities.

67) The Academy shall abide by the provisions within the Academies Financial Handbook, as published by the Department for Education and Skills and amended from time to time, which sets out in detail provisions for the financial management of the Academy including guidance on financial systems and controls and accounting and reporting requirements.

68) The formal budget plan must be approved each year by the Governing Body.

69) Any payment of grant by the Secretary of State is subject to his being satisfied as to
the fulfilment by the Academy of the following conditions:

a) that in its conduct and operation the Academy shall apply financial and other controls which conform with the requirements both of propriety and of good financial management;

b) that arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such form and frequency as the Secretary of State may from time to time reasonably direct;

c) that such financial statements are published at the end of each financial year (as defined in clause 61) in such form and manner as the Secretary of State may reasonably direct and a copy sent to him by 31 December each year. These should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of the Academy affairs and that the grants were used for the purposes intended;

d) that the Academy prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 1985;

e) that a statement of the accounting policies used is sent to the Secretary of State with the financial statements;

f) that the Academy insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the site upon which the Academy is situated;

g) (i) that the Academy prepares and files with the Charity Commission annual accounts prepared in accordance with the Statement of Recommended Practice;

(ii) the governing body shall comply with their obligation under the Charities Act 1993 (or any statutory re-enactment or modification of that Act) with regard to the preparation of an annual report and its transmission to the Charity Commissioners;

h) The Governing Body shall secure that the Academy’s accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State.

70) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Academy.

71) The books and accounts and all relevant records, files and reports of the Academy including those relating to financial controls, shall be open at all reasonable times to officials of the Department for Education and Skills and the National Audit Office and to contractors retained by the Department for Education and Skills or the National Audit Office for inspection or the carrying out of value for money studies; and the Academy shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause, relevant means in
any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.

72) The Governing Body shall submit indicative budgets to the Secretary of State not later than by 15 February before the start of each Academy financial year. Such budgets shall set out clearly the prospective income and expenditure of the Academy and shall differentiate, and give adequate details of:

a) a statement of expected income for that year including cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital expenditure, distinguishing between income from public funds including the national lottery and income from other sources;

b) a statement of proposed recurrent expenditure for that financial year;

c) a statement of proposed capital expenditure for that financial year.

73) With the exception of grant covered by clause 73c below, the Academy will be permitted to carry forward savings from GAG from one year to the next:

a) equivalent to 2% of the total GAG received in the preceding year, which it may use for any of the purposes for which GAG is paid including all expenditure permitted under sub-clause (b) below;

b) equivalent to a further 10% of the total GAG received in that year, or such higher figure as may from time to time be agreed, which it may use on the upkeep and improvement of premises including the costs of equipment and routine repairs and maintenance and on capital expenditure;

c) Any additional grant provided over and above that set out in clause 50 and 51 and made in accordance with clause 54 and 55, may be carried forward without limitation or deduction until the start up period or the circumstances set out in clauses 55 and 56 come to an end.

74) Any savings of GAG not allowed under clause 73 will be taken into account in the payment of subsequent grant.

75) The Governing Body may also accumulate funds from private sources or public sources other than grant from the Secretary of State for application to the benefit of the Academy as it sees fit. Any surplus arising from private sources or public sources other than grant from the Secretary of State shall be separately identified in the balance sheet.

76) The Academy Trust shall not, without the prior written consent of the Secretary of State which shall not be unreasonably withheld or delayed:

a) give any guarantees, indemnities (except such as are given in normal contractual relations) or letters of comfort;

b) write off any debts or liabilities owed to it above a value to be set out in the annual funding letter, nor offer to make any ex gratia payments;

c) make any freehold sale or purchase; or
d) grant or take up any leasehold or tenancy agreement for a term exceeding three years.

77) Each discovered loss of an amount exceeding the amount set out in the annual letter of funding, and arising from suspected theft or fraud, shall be reported by the Governing Body to the Secretary of State at the earliest opportunity.

78) It is the responsibility of the Governing Body to ensure that the Academy balances its budget from year to year.

**Borrowing Powers**

79) The Academy Trust shall not run an overdraft beyond such amount (to cover irregularities in cash flow) as may from time to time be both approved by the Academy Trust in General Meeting and in writing by the Secretary of State, such approval by the Secretary of State not to be unreasonably delayed or withheld, and subject to any conditions he may reasonably impose. The Academy Trust shall not borrow except with the written consent of the Secretary of State against future years’ current grant, or by using as collateral assets purchased wholly or partly out of monies provided by the Secretary of State. The Academy Trust shall not borrow against land and buildings transferred to it for less than the market price from an LEA or trustees of a voluntary aided school. Provided always that nothing in this clause shall prevent the Academy Trust from borrowing (whether by way of overdraft or otherwise) prior to the opening of the Academy nor from borrowing where such borrowing is made necessary by the failure of the Secretary of State to make in a timely fashion payments (whether of GAG or EAG or otherwise) agreed to be made by him under this Agreement.

**DISPOSAL OF ASSETS**

80) Where the Academy Trust acquires assets for a nil consideration or at an undervalue it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to assets transferred at nil or nominal consideration and which were previously used for the purposes of a school or where transferred from an LEA; the value of which assets shall be disregarded.

81) The sale, or disposal by other means, or reinvestment of proceeds from the disposal, of a capital asset by an Academy Trust shall require the consent of the Secretary of State where:

a) the Secretary of State paid capital grant in excess of £20,000 for the asset; or

b) the asset was transferred to the Academy Trust from a Local Education Authority for no or nominal consideration

such consent not to be unreasonably withheld or delayed. Furthermore, reinvestment exceeding £1m or with other special features will be subject to Parliamentary approval.

82) This clause applies in the event, during the lifetime of this agreement, of the
disposal of a capital asset for which capital grant of any amount was paid, where the asset was acquired by the Academy Trust at market value. In this event, the Academy Trust shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Academy Trust for its charitable purposes.

83) This clause applies in the event, during the lifetime of this agreement, that the Secretary of State consents to the disposal of an asset which was transferred to the Academy Trust from a Local Education Authority for no or nominal consideration. In this event the Secretary of State may give consent on the basis that all or part of the proceeds of the disposal should be made over to the Local Education Authority from which the asset was transferred, taking into account the amount of the proceeds to be reinvested by the Academy Trust. The Secretary of State will have regard to any representations from the Academy Trust and the Local Education Authority from which the asset was transferred before giving a consent under this clause.

84) Except with the consent of the Secretary of State, the Academy Trust shall not dispose of assets for a consideration less than the best that can reasonably be obtained.

**TERMINATION**

85) Subject to prior termination of this agreement under clauses 87 - 93, the Secretary of State shall continue payments in respect of current expenditure for a period of not less than seven years.

86) Either party may give seven years written notice of its intention to terminate this Agreement, such notice to expire on 31 August in any year.

87) If the Secretary of State is of the opinion that the Academy no longer has the characteristics set out in clause 8 or that the conditions and requirements set out in clauses 9 - 33 are not being met, or is otherwise in breach of the provisions of this Agreement, the Secretary of State may give notice of his provisional intention to terminate this Agreement.

88) Any such notice shall be in writing and shall:

a) state the grounds on which he considers the Academy no longer has the characteristics set out in clause 8 or is not meeting the conditions and requirements of clauses 9 - 33 or is otherwise in breach of the provisions of this Agreement;

b) specify the measures needed to remedy the situation;

c) specify the date by which these measures are to be implemented; and

d) state the form in which the Governing Body is to provide its response and the date by which it must be provided.

89) If no response is received by the date specified in clause 88d, the Secretary of State may give the Governing Body 12 months, or such lesser period as he considers appropriate in the circumstances, written notice of his intention to terminate this
Agreement.

90) If a response is received by the date specified in clause 88d, the Secretary of State shall consider it, and any representations made by the Governing Body, and shall, within 3 months of its receipt, indicate that:

a) he is content with the response and that the measures which he specified are being implemented; or

b) he is content, subject to any further measures he specifies being implemented by a specified date or any evidence he requires that implementation of such measures have been successfully completed; or

c) he is not satisfied, that he does not believe that he can be satisfied, and that he will proceed to terminate the Agreement.

91) In the circumstances of clause 90c the Secretary of State shall notify the Governing Body why he believes that he cannot be satisfied and, if so requested by the Governing Body within thirty days from such notification, he shall meet a deputation from the members and governors of the Academy to discuss his concerns. If following such meeting he has good reasons for remaining satisfied that the Academy does not and will not have the characteristics set out in clause 8 or does not and will not meet the conditions and requirements set out in clauses 9 - 33 or does not and will not otherwise comply with the provisions of this Agreement, he shall give the Governing Body twelve months written notice of his termination of this Agreement.

92) If the Secretary of State has cause to serve a notice on the Governing Body under s.165 of the Education Act 2002 and the matters specified in the notice are not remedied, the period of twelve months notice referred to in clause 90 may be shortened to a period deemed appropriate by the Secretary of State.

93) The Secretary of State may at any time by notice in writing terminate this Agreement forthwith on the occurrence of any of the following events:-

a) the Academy Trust calls a meeting of its creditors (whether formal or informal) or enters into any composition or arrangement (whether formal or informal) with its creditors; or

b) the Academy Trust proposes a voluntary arrangement within Section 1 of the Insolvency Act 1986; or

c) the Academy Trust is unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 provided that, for the purposes of this Clause. Section 123 (1)(a) of the Insolvency Act 1986 shall have effect as if the amount of £10,000 was substituted for £750. The Academy Trust shall not be deemed unable to pay its debts for the purposes of this clause if any such demand as is mentioned in the said Section is being contested in good faith by the Academy; or

d) the Academy Trust has a receiver (and manager with the exception of Receivers and Managers appointed by the Charity Commission under the Charities Act 1993 or any subsequent re-enactment of that Act), administrator or
administrative receiver appointed over all or any part of its undertakings, assets or income; or
e) any restraint, execution or other process is levied or enforced on any of the Academy Trust’s property and is not paid out, withdrawn or discharged within fifteen Business Days; or
f) the Academy Trust has passed a resolution for its winding up; or
g) the Academy Trust has a petition presented to any Court for its winding up or for an administration order; or
h) the Academy has ceased to operate as a Academy (except where such cessation occurs temporarily by reason of an event of Force Majeure).
i) the Academy Trust and the Secretary of State do not on or before 31st December 2007 reach agreement on funding the establishment of the Academy as provided for in clause 37;

ia) the Academy Trust has not by 1st September 2006 obtained from the freeholder of the land upon which the predecessor school stands a lease executed in favour of the Academy Trust Company for a sufficient period to allow the Academy to operate from those premises until the completion of the new Academy premises.

k) if the type of lease specified in Clause[s] 94j) [or 94(i)] above has been executed, it is subsequently terminated;

l) the Academy Trust has not provided satisfactory evidence by 31st December 2007 that all relevant planning and other consents necessary for the development and refurbishment and all related infrastructure to be completed has been obtained or put in place

“Business Days” in this clause, means any day other than a Saturday, a Sunday, Christmas Day, Good Friday or a day which is a bank holiday within the meaning of the Banking and Financial Dealings Act 1971.

Effect of Termination

94) In the event of termination of this agreement, however occurring, the school shall cease to be an Academy.

95) If the Secretary of State terminates this Agreement for reasons other than that the Academy no longer has the characteristics set out in clause 8, or is no longer meeting the conditions and requirements set out in clauses 9 - 33 or is otherwise in breach of the provisions of this Agreement, the Secretary of State shall indemnify the Academy Trust.

96) The amount of any such indemnity shall be determined by the Secretary of State having regard to any representations made to him by the Academy Trust, and shall be paid at such times and in such manner as the Secretary of State may reasonably think fit.
97) The amounts and categories of expenditure incurred by the Academy Trust in consequence of the termination of the Agreement in respect of which the Secretary of State shall indemnify the Academy Trust include (but not by way of limitation), staff compensation and redundancy payments, compensation payments in respect of broken contracts, expenses of disposing of assets or adapting them for other purposes, legal and other professional fees, and dissolution expenses.

98) In the event of the termination of this Agreement however occurring the Secretary of State shall procure that his nominee shall resign as a member of the Academy Trust and shall co-operate in making any associated amendments to the Academy Trust Articles of Association.

99) Subject to clause 100, on the termination of this agreement, however occurring, the Academy Trust shall repay to the Secretary of State a sum in respect of the capital contribution made by him under clauses 37 and 41 above. The amount to be repaid to the Secretary of State shall be a percentage of the value of the assets belonging to the Academy Trust at the date of termination (or by agreement with the Secretary of State) at the date of subsequent disposal of those assets, such percentage to be the same as the percentage of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or later.

100) The Secretary of State may waive in whole or in part the repayment due under the above clause if:

   a) The Academy Trust is unable to realise the market value of land or premises because they are returned to the Local Education Authority at less than market value; or

   b) The Academy Trust obtains his permission to invest the proceeds of sale for its charitable objects; or

   c) The Secretary of State directs all or part of the repayment to be paid to the Local Education Authority.

101) If any land or premises of the Academy were acquired from a Local Education Authority by a scheme under Schedule 35A of the Education Act 1996 or otherwise at less than the market price, and the Secretary of State does not make a scheme as provided for in Schedule 35A (Paragraph 8) of the Education Act 1996, the Academy Trust may dispose of its interest in that land or premises but only with the consent of the Secretary of State, who shall have regard to any representations from the Academy Trust and the Local Education Authority from which the land was transferred before giving or withholding that consent.

(c) 1 person appointed by the Secretary of State;

(e) any person appointed under article 6;

5) If the Principal Sponsor dies or becomes legally incapacitated his right to appoint Members under these Articles shall vest in the remaining Members.

6) The Members may agree unanimously in writing to appoint such additional Members as they think fit and may unanimously in writing agree to remove any such additional Members.

7) Every person nominated to be a Member of the Trust shall either sign a written consent to become a Member or sign the register of Members on becoming a Member.

8) The other Members may in their absolute discretion permit any Member to resign provided that after such resignation the number of Members is not less than 3. A Member shall cease to be one immediately on the receipt by the Trust of a notice in writing signed by the person or persons entitled to remove him under article 4 or 6 provided that no such notice shall take effect when the number of Members is less than three unless it contains or is accompanied by the appointment of a replacement Member.

GENERAL MEETINGS

9) The Trust shall hold an Annual General Meeting each year in addition to any other meetings in that year, and shall specify the meeting as such in the notices calling it; and not more than fifteen months shall elapse between the date of one Annual General Meeting of the Trust and that of the next. Provided that so long as the Trust holds its first Annual General Meeting within eighteen months of its incorporation, it need not hold it in the year of its incorporation or in the following year. The Annual General Meeting shall be held at such time and place as the governors shall appoint. All General Meetings other than Annual General Meetings shall be called Extraordinary General Meetings.

10) The governors may call general meetings and, on the requisition of members pursuant to the provisions of the Act, shall forthwith proceed to convene an extraordinary general meeting for a date not later than eight weeks after the receipt of the requisition. If there are not within the United Kingdom sufficient governors to call a general meeting, any governor or any member of the Trust may call a general meeting.

NOTICE OF GENERAL MEETINGS

11) An Annual General Meeting and an extraordinary general meeting called for the
passing of a special resolution appointing a person as a governor shall be called by at least twenty-one clear days’ notice. All other extraordinary general meetings shall be called by at least fourteen clear days’ notice but a general meeting may be called by shorter notice if it is so agreed,

a) in the case of an annual general meeting, by all the members entitled to attend and vote; and

b) in the case of any other meeting by a majority in number of members having a right to attend and vote, being a majority together holding not less than 95 per cent of the total voting rights at the meetings of all the members.

The notice shall specify the time and place of the meeting and the general nature of the business to be transacted and, in the case of an annual general meeting, shall specify the meeting at such.

The notice shall be given to all the members, to the governors and auditors.

12 The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS.

13 No business shall be transacted at any meeting unless a quorum is present. A member counts towards the quorum by being present either in person or by proxy. Two persons entitled to vote upon the business to be transacted, each being a member or a duly authorised representative of a member organisation, or one tenth of the total number of such persons for the time being, whichever is the greater, shall constitute a quorum.

14 If a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the governors may determine.

15 The members present shall elect one of their number to be chairman and, if there is only one member present and willing to act, he shall be the chairman.

16 A governor shall, notwithstanding that he is not a member, be entitled to attend and speak at any general meeting.

17 The chairman may, with the consent of a meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business which might properly have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen days or more, at least seven clear days notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise it shall not be necessary to give any such notice.

18 A resolution put to the vote of the meeting shall be decided on a show of hands unless otherwise determined by the meeting, or on the declaration of the result of the show of hands a poll is duly
demanded. Subject to the provisions of the Act, a poll may be demanded:-

a) by the chairman; or

b) by at least two members having the right to vote at the meeting; or

c) by a member or members representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting.

19) Unless a poll is duly demanded a declaration by the chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

20) The demand for a poll may be withdrawn, before the poll is taken, but only with the consent of the chairman. The withdrawal of a demand for a poll shall not invalidate the result of a show of hands declared before the demand for the poll was made.

21) A poll shall be taken as the chairman directs and he may appoint scrutineers (who need not be members) and fix a time and place for declaring the results. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

22) In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting shall be entitled to a casting vote in addition to any other vote he may have.

23) A poll demanded on the election of the chairman or on a question of adjournment shall be taken immediately. A poll demanded on any other question shall be taken either immediately or at such time and place as the chairman directs not being more than thirty days after the poll is demanded. The demand for a poll shall not prevent continuance of a meeting for the transaction of any business other that the question on which the poll is demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.

24) No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In other cases at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.

25) A resolution in writing executed by or on behalf of each member who would have been entitled to vote upon it if it had been proposed at a general meeting at which he was present shall be as effectual as if it had been passed at a general meeting duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more members.

Evidence to the satisfaction of the governors of the authority of the person claiming to exercise the right to vote shall be deposited at the office, or at such other place as is specified in accordance with the articles for the deposit of instruments of proxy, not less than 48 hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

28) No member shall be entitled to vote at any general meeting unless all moneys then payable by him to the Trust have been paid.

29) No objections shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting shall be valid. Any objection made in due time shall be referred to the chairman whose decision shall be final and conclusive.

30) An instrument appointing a proxy shall be in writing, executed by or on behalf of the appointer and shall be in the following form (or in a form as near thereto as circumstances allow or in any other form which is usual or which the governors may approve).

"I/We, ........, of ........, being a member/members of the above named trust, hereby appoint ...... of ........, or failing him, ........ of ........ as my/our proxy to vote in my/our name[s] and on my/our behalf at the annual/extraordinary general meeting of the Trust to be held on .......200[ ], and at any adjournment thereof.

Signed on ...... 200[ ]"

31) Where it is desired to afford members an opportunity of instructing the proxy how he shall act the instrument appointing a proxy shall be in the following form (or in a form as near thereto as circumstances allow or in any other form which is usual or which the governors may approve).

"I/We, ........, of ........, being a member/members of the above-named trust, hereby appoint ...... of ........, or failing him ...... of ........, as my/our proxy to vote in my/our name[s] and on my/our behalf at the annual/extraordinary general meeting of the Trust, to be held on ....... 200[ ], and at any adjournment thereof.

This form is to be used in respect of the resolutions mentioned below as follows:

* Strike out whichever is not desired.

Unless otherwise instructed, the proxy may vote as he thinks fit or abstain from voting.

Signed on .... 200[ ]"

   b) in the case of a poll taken more than 48 hours after it is demanded, be deposited as aforesaid after the poll has been demanded and not less than 24 hours before the time appointed for the taking of the poll;

   c) where the poll is not taken forthwith but is taken not more than 48 hours after it was demanded, be delivered at the meeting at which the poll was demanded to the chairman or to the clerk or to any governor;

and an instrument of proxy which is not deposited or delivered in a manner so permitted shall be invalid.

33) A vote given or poll demanded by proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll unless notice of the determination was received by the Trust at the office or at such other place at which the instrument of proxy was duly deposited before the commencement of the meeting or adjourned meeting at which the vote given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

34) Any organisation which is a member of the Trust may by resolution of its board of governors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Trust, and the person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual member of the Trust.

Where it is not possible for such a governor to be appointed or elected due to the fact that the Academy is not yet established then the relevant article or part thereof shall not apply.

That application will be at an enhanced disclosure level. A referral by the Chair of Governors or the Principal shall be made where the person is in their opinion giving cause for concern or will have regular unsupervised contact with children. In the event that the certificate discloses any information which would in the opinion of either the Chair of Governors or the Principal disqualify or prevent a person from serving as a governor that person should be disqualified. If a dispute arises as to whether a person shall be disqualified, a referral shall be made to the Secretary of State to determine the matter. The determination of the Secretary of State shall be final.
67) Where, by virtue of these articles a person becomes disqualified from holding, or continuing to hold office as a governor; and he is, or is proposed, to become such a governor, he shall upon becoming so disqualified give written notice of that fact to the clerk.

68) Articles 58 to 67 also apply to any member of any committee of the governors who is not a governor.

ANNEX 2

THE ADMISSION OF PUPILS TO THE HARRIS ACADEMY MERTON

1. This document sets out the admission arrangements for the Harris Academy Merton. These arrangements are without prejudice to the provisions of Annex 3 to this agreement. The document forms an Annex to the Funding Agreement between the Harris Academy Merton and the Secretary of State. The Secretary of State must approve any changes to the arrangements set out in this document in advance.

2. The Academy will comply with all relevant provisions of the statutory codes of practice (the School Admissions' Code of Practice and the School Admission Appeals Code of Practice) as they apply at any given time to maintained schools and with the law on admissions as it applies to maintained schools. Reference in the codes to admission authorities shall be deemed to be references to the governing body of the Academy. In particular, the Academy will take part in the Admissions Forum set up by Merton LA and have regard to its advice; and will participate in the co-ordinated admission arrangements operated by Merton LA.

3. Not withstanding the above arrangements, The Secretary of State may direct the Academy to admit a named pupil on application to the LA. Before doing so the Secretary of State will consult the Academy.

I: ADMISSION ARRANGEMENTS APPROVED BY SECRETARY OF STATE

4. The admission arrangements for the Academy -for the year 2007 and, subject to any changes approved by the Secretary of State, for subsequent years are:

a) The Academy has an agreed admission number of 180 pupils and a total pupil number of 1200 (including the sixth-form). The Academy will accordingly admit at least 180 pupils in the relevant age group, each year, if sufficient applications are received,

b) The Academy may set a higher admission number, as its Published Admission Number, for any specific year. However, before setting an admission number higher than its agreed admission number, the Academy will consult those listed at paragraphs 18-19 below. Pupils will not be admitted above the Published Admission Number unless exceptional circumstances apply and such circumstances shall be reported to the Secretary of State.

Process of application

5. Applications for places at the Academy will be made in accordance with the LA's co-ordinated admission arrangements and will be made on the
Common Application Form provided and administered by Merton LA. The Academy will use the following timetable for applications each year (exact dates within the months may vary from year to year) which, whenever possible, will fit in with the common timetable agreed by the Merton Admissions' Forum or LA.

a) 20 October 2006  Closing date for receipt of the CAF
b) 13 November 2006  Deadline for the transfer of application information by the Home LEA to the PLR
c) 20 November 2006  Date by which Merton LEA will notify Merton admission authorities of every application for their schools
d) 21 November 2006 - 19 January 2007  Schools to consider applications according to admissions criteria.
e) 15 December 2006  Deadline for the upload of late applications to PLR
f) 20 January 2007  Date by which local schools must provide Merton LEA with electronic list of applicants in criteria order
g) 7 February 2007  Deadline for the transfer of potential offer information from the Maintaining LEAs to the PLR
h) 1 March 2007  Notifications sent to Parents
i) 15 March 2007  Date by which parents accept or reject offers

The Academy may require parents to complete supplementary information forms, where insufficient information is provided on the Common Application Form to enable the Academy to consider an application appropriately.

**Consideration of applications**

6. The Academy will consider all applications for places. Where fewer than 180 applications are received, the Academy will offer places to all those who have applied.

**Procedures where the Harris Academy Merton is oversubscribed**

7. NB: - The allocation of places will take place within a framework of Fair Banding whereby all applicants are placed in 1-9 ability bands
depending on the score an applicant achieves in a Non-Verbal Reasoning test (1 is the lowest and 9 is the highest band). This process is to ensure a comprehensive intake into the Academy.

Where the number of applications for admission is greater than the published admissions’ number, applications will be considered against the criteria, and in the order, set out below.

a) Students with statements of Special Educational Need, where the Academy is named in the statement.

b) Students in public care / ‘looked after’ children.

c) Students for whom it is essential that they be admitted to the Academy because of significant medical needs evidenced by written medical evidence.

d) 50% of the remaining places in each band will be offered to students living within a two-mile radial distance of the Academy on the basis of proximity. Distance to be measured using the shortest safe walking distance (defined by the Academy) between the main entrance to a pupil’s home and the main entrance to the Academy site. Where a pupil lives for part of each week at different addresses, the ‘home’ address shall be that address where the pupil spends the majority of the week.

The remaining 50% of the places in each band will be offered to applicants living within a four-mile radial distance on the basis of proximity within bands.

**Operation of waiting lists**

8. The Academy will operate a waiting list. Where in any year the Academy receives more applications for places than there are places available, a waiting list will operate until a month after the admission date. The Academy will maintain the waiting list and it will be open to any parent to ask for his or her child’s name to be placed on the waiting list, following an unsuccessful application.

9. A child’s position on the waiting list will be determined solely in accordance with the oversubscription criteria set out in paragraphs 6(a – d) of this Annex. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

**Arrangements for appeals panels**

10. Parents will have the right of appeal to an Independent Appeal Panel, established by the Governing Body, if they are dissatisfied with an admission decision of the Academy—. The Appeal Panel will be
independent of the Academy. The arrangements for appeals will be in line with the Code of Practice on School Admission published by the Department for Education and Skills, as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel will be made in accordance with the Code of Practice on School Admission Appeals and is binding on all parties. The Academy will prepare guidance for parents about how the appeals process will work and provide parents with a named contact who can answer any enquiries parents may have about the process.

**Arrangements for admission to post 16 provision**

11. The Academy will publish specific criteria in relation to minimum entrance requirements for the range of courses available and based upon predicted GCSE grades or other measures of prior attainment. The predicted grades will be used for entry along with a reference from the Academy Tutor, or headteacher of the student’s current school, as to the student’s ability for the courses for which he/she has applied.

12. There will be a right of appeal to an Independent Appeals Panel, established by the Governing Body, for unsuccessful applicants.

**Arrangements for admitting pupils to other year groups, including replacing any pupils who have left the Harris Academy Merton**

13. In the case of applications to years 8-11, without published admissions’ numbers, admission will be based upon the size of teaching groups already existing in the Tamworth Manor School and the efficient use of resources. If more applications are received than there are places available, the over subscription criteria shall apply. Parents whose application is turned down are entitled to appeal.

**Arrangements for admission of pupils as the Academy builds to its full capacity**

14. The Academy will open on 1 September 2006 with a Published Admission Number relating solely to pupils in Year 7. Pupils in subsequent Year groups (8 - 11) will have been transferred automatically from the predecessor school, Tamworth Manor School, which will close on 31 August 2006.

15. Admission to Year groups without a Published Admission Number will be based upon the size of teaching groups already existing in Tamworth Manor School and the efficient use of resources (see also paragraph 8 above).

16. There will be a right of appeal to the Independent Appeal Panel for unsuccessful applicants.

d) Arrangements for hearing appeals.

**Representations about admission arrangements**

22. Where any of those bodies that were consulted, or that should have been consulted, make representations to the Academy about its admission arrangements, the Academy will consider such representations before determining the admission arrangements. Where the Academy has determined its admission arrangements and notified all those bodies whom it has consulted and any of those bodies object to the Academy’s admission arrangements they can make representations to the Secretary of State. The Secretary of State will consider the representation and in so doing will consult the Academy. Where he judges it appropriate, the Secretary of State may direct the Academy to amend its admission arrangements.

23. Those consulted have the right to ask the Academy to increase its proposed Published Admissions Number for any year. Where such a request is made, but agreement cannot be reached locally, they may ask the Secretary of State to direct the Academy to increase its proposed Published Admissions Number. The Secretary of State will consult the Academy and will then determine the Published Admission Number.

24. In addition to the provisions above, the Secretary of State may direct changes to the Academy’s proposed admission arrangements and, also the Secretary of State may direct changes to the proposed Published Admissions Number.

**Proposed changes to admission arrangements by the Academy after arrangements have been published**

25. Once the admission arrangements have been determined for a particular year and published, the Academy will propose changes only if there is a major change of circumstances. In such cases, the Academy must notify those consulted (under paragraphs 17 – 18 above) of the proposed variation and must then apply to the Secretary of State setting out:

   a) The proposed changes

   b) Reasons for wishing to make such changes

   c) Any comments or objections from those entitled to object.

**Need to secure Secretary of State’s approval for changes to admission arrangements**
26. The Secretary of State will consider applications from the Academy to change its admission arrangements only when the Academy has consulted and notified the proposed changes (as outlined in paragraphs 18 - 19 above).

27 Where the Academy has consulted on proposed changes the Academy must secure the agreement of the Secretary of State before any such changes can be implemented. The Academy must seek the Secretary of State’s approval in writing, setting out the reasons for the proposed changes and passing to him any comments or objections from other admission authorities/other persons.

28. The Secretary of State can approve, modify or reject proposals from the Academy to change its admission arrangements.

29. Records of applications and admissions shall be kept by the Academy for a minimum period of ten years and shall be open for inspection by the Secretary of State.
Annex 3

Duty to have regard to the Code of Practice and other guidance

1. The Academy shall have regard to the Special Educational Needs Code of Practice (2001) and any guidance issued by the Secretary of State relating to sections 316 and 316A of the Education Act 1996. Any changes to be made to the provisions set out in this document must be approved in advance by the Secretary of State.

Duties in relation to pupils with SEN

2. The governors of the Academy shall designate a person, who may be the headteacher, the chair of governors or another governor as appropriate, who shall be the responsible person for the purposes of the following duties in relation to pupils with SEN.

3. The governors of the Academy shall:

- use their best endeavours, in exercising their functions in relation to the school, to secure that, if any registered pupil has special educational needs, the special educational provision which the pupil’s learning difficulty calls for is made;

- secure that, where the responsible person has been informed by the local education authority that a registered pupil has special educational needs, those needs are made known to all who are likely to teach the pupil;

- secure that the teachers in the school are aware of the importance of identifying, and providing for, those registered pupils who have special educational needs; and

- consult the local education authority and the governing bodies of other schools in the area, to the extent that this is necessary for co-ordinating provision for pupils with SEN.

- operate the Academy as a dyslexia friendly school, making provision for mild and specific learning difficulties, and will expect to make provision mainly, but in no way exclusively, for pupils meeting this focus. Pupils with special educational needs who have the Academy named in their Statements will be admitted within the context of the above, within the bands where it can be shown that admission does not prejudice the education of other pupils and where the Academy consents;

4. Where a child who has special educational needs is being educated in the Academy, those concerned with making special educational provision for the child shall secure, so far as is reasonably practicable and is compatible with:
(a) the child receiving the special educational provision which his learning difficulty calls for,

(c) the efficient use of resources and

(d) that the child engages in the activities of the school together with children who do not have SEN.

5. The Academy prospectus shall include details of the governing body’s policy for pupils with SEN and in particular shall include the information specified in Schedule 1 to the Education (Special Educational Needs) (Information) Regulations 1999 as amended or re-enacted from time to time. It shall also include details of the arrangements for the admission of disabled pupils; the steps taken to prevent disabled pupils from being treated less favourably than other pupils; and the facilities provided to assist access to the Academy by disabled pupils (disabled pupils meaning pupils who are disabled for the purposes of the Disability Discrimination Act 1995).

Admissions

6. The Academy shall ensure that pupils with SEN are admitted on an equal basis with others in accordance with its admissions policy.

7. Where a local education authority proposes to name the Academy in a statement of SEN made in accordance with section 324 of the Education Act 1996, the Academy shall consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children; and where no reasonable steps may be made to secure compatibility. In deciding whether a child’s inclusion would be incompatible with the efficient education of other children, the Academy shall have regard to the relevant guidance issued by the Secretary of State to maintained schools.

8. In the event of any disagreement between the Academy and the local education authority over the proposed naming of the Academy in a statement, the Academy may ask the Secretary of State to determine whether the Academy should be named. The Secretary of State’s determination shall, subject only to any right of appeal which any parent or guardian of the child may have to the Special Educational Needs and Disability Tribunal (SENDIST), be final.

9. If a parent or guardian of a child in respect of whom a statement is maintained by the local education authority appeals to SENDIST either against the naming of the Academy in the child’s SEN statement or asking the Tribunal to name the Academy, then the decision of the Tribunal on any such appeal shall be binding and shall, if different from that of the Secretary of State under paragraph 7 above, be substituted for the Secretary of State’s decision.

June 2003
10. Where the Academy has consented to be named in a child’s statement of SEN, or the Secretary of State or SENDIST have determined that it should be named, the Academy shall admit the child notwithstanding any provision of Annex 2 of this agreement.
ANNEX 4

Serious incidents of misbehaviour leading to fixed period or permanent exclusion

1. In discharging their duties the Head and Governors of Harris Academy Merton will have regard to the Secretary of State’s guidance on exclusions\(^1\) as if the Academy were a maintained school, except that:

- references to the maintaining LEA in paragraph 26(c) of the guidance should be construed as a reference to the LEA in which an excluded child is resident;

- the Academy, and not the LEA, is responsible for making arrangements for independent appeal panels to hear appeals against permanent exclusions where the governors do not direct reinstatement (see paragraph 35 and part 5 of the guidance, and below);

- the governors are not expected to seek the advice of an LEA officer when considering an exclusion (paragraph 73 of the guidance), although an LEA officer may attend any meeting to consider an exclusion at the request of a parent; and

- part 8 of the guidance (arrangements for money to follow pupils who have been permanently excluded from school) does not apply.

Constitution and conduct of independent appeal panels

2. The Academy will be responsible for carrying out the functions assigned to the LEA in part 5 of the guidance with regard to the management of the appeal procedure. Appeals panels must be impartial and constituted in accordance with the detailed provisions of paragraphs 95-97 of the guidance. The Academy will arrange suitable training for appeal panel members and clerks.

3. The appeal panel’s decision is final and binding on the Academy. A parent may seek a judicial review of a panel’s decision. A parent may not, however, appeal to the Commissioner for Local Administration (the Local Government Ombudsman) about maladministration because the Commissioner’s remit is limited to considering the conduct of appeal panels constituted by LEAs.

The guidance may be subject to amendment, and the Academy is required to have regard to the guidance as it stands at any given time.
Annex 8

Arrangements for the appointment and dismissal of the Principal, Assistant Principals and Director of Finance

1. The Principal shall be appointed by members of the Trust after consultation with the Governors after due advertisement, and shall be a graduate who is a qualified teacher who in the opinion of the Trust is well qualified by reason of background or experience.

   The Governors, following consultation with the Principal, shall appoint the Assistant Principals and Finance Director. Dismissal arrangements for these posts follow the staff procedure.

2. The Principal shall be employed under a contract of service in writing with the Trust which shall, except in the case of dismissal for misconduct or other good and urgent cause, be terminable upon not less than two terms' notice in writing, taking effect at the end of a term given by the Trust or the Principal as the case may be.

3. The Trustees shall have due regard to employment law before making any decision to dismiss the Principal, and the Principal shall be afforded full opportunity to state his or her case before any resolution to terminate his or her employment is made. A resolution of the Trustees to terminate the Principal's contract by notice, or to dismiss the Principal without notice for misconduct or other good and urgent cause, shall not take affect until the Governors have been consulted and have had an opportunity to make their views known to the Trust. The members of the Trust may then make a final decision to dismiss.

Provided that where the Principal is accused of conduct which may justify dismissal without notice:

I. The Trust shall pass a resolution suspending the Principal from duty pending a disciplinary hearing and, should this be necessary, consultation with the Governors on the question of dismissal; and

II. The Principal shall have the right to appeal against any decision made by the Trustees. At the appeal hearing he may be accompanied by a work colleague or a trade union.
