- b) percentage of pupils achieving level 5 or above at Key Stage 3 in English, maths science and ICT; and
- c) the average point scores at Key Stage 4 for Approved Qualifications

In this clause "Approved Qualification" means an external qualification at entry level, level 1 or level 2 (as set out in the Qualifications and Curriculum Authority's National Qualifications Framework and determined by the Qualifications and Curriculum Authority) or a GCE AS level, which is approved under section 98 of the Learning and Skills Act 2000 and which is appropriate for pupils of compulsory school age.

- 16) The Academy shall consult the Secretary of State and the LA in whose area it is situated each year before setting these targets and shall take into account but not be bound by any comments received from the Secretary of State and/or the LA. The Academy shall set its targets in accordance with the timetable for target setting which applies to maintained schools.

Pupils

- 17) The Academy is an all ability and inclusive school. The arrangements for:
 - a) the admission of pupils to the Academy; and

- (2) The Governing Body shall make arrangements to ensure that, so far as reasonably practicable, a course of study in the core subjects and a course of study in one of the entitlement areas is made available (whether at the Academy or otherwise) to any pupil at the Academy who is above compulsory school age.
- (3) Nothing in this clause-
- (a) requires the Academy to incur disproportionate expenditure in making these arrangements;
 - (b) confers any greater entitlements on a pupil than are conferred by section 85A(1) of the Education Act 2002 and section 3A of the Learning and Skills Act 2000.
- (4) In making arrangements under this clause the Governing Body shall have regard to any guidance issued from time to time by the Secretary of State or the Qualifications and Curriculum Authority.
- (5) In this clause "course of study", "core subjects" and "entitlement areas" have the same meaning as in sections 3A, 3B and 3C respectively of the Learning and Skills Act 2000.

Curriculum, curriculum development and delivery and RE and collective worship

 - b) the National Curriculum programmes of study for English, mathematics, science and ICT for the time being prescribed by the Secretary of State under section 87 of the Education Act 2002 are taught so far as appropriate during the relevant Key Stage and in any event will have been covered in full by the end of the final year of each Key Stage;

The Academy is not required to teach an individual pupil or group of pupils in one or more subjects where, in the opinion of the principal, it is inappropriate to do so by reason of the pupil's or group's ability or attainment.

- 24) The Academy shall make provision for the teaching of Religious Education and for a daily act of collective worship.
- 25) Subject to clause 27, provision shall be made for Religious Education to be given to all pupils at the Academy in accordance with the tenets of the Church of England and the

Roman Catholic Church.

The Academy shall ensure that the quality of Religious Education given to pupils and the contents of the School's collective worship given in accordance with the tenets and practice of the Church of England and the Roman Catholic Church are inspected. Such inspection shall be conducted by a person chosen by the Governing Body and the Academy shall secure that such inspection shall comply with the requirements set out in any statutory provision and regulations as if the Academy were a foundation of voluntary school which has been designated under section 69(3) of the School Standards and Framework Act 1998 as having a religious character.

- 27) Section 71(1) - (4) of the School Standards and Framework Act 1998 shall apply as if the Academy were a community, foundation or voluntary school, and as if references to "religious education" and to "religious worship" in that section were references to the religious education and religious worship provided at the Academy in accordance with clauses 25 and 26 respectively.
- 28) The Academy shall have regard to any guidance issued by the Secretary of State on Sex and Relationship Education to ensure that children are protected from inappropriate teaching materials and they learn the nature of marriage and its importance for family life and for bringing up children.

Assessment

- 29) The Academy will be notified to the National Assessment Agency (NAA) by the Secretary of State and the Academy shall provide the NAA with such information as the NAA shall require for the purposes of enabling all pupils at the Academy to take part in and report to the NAA and its agencies on Key Stage 3 assessments in English, Maths and Science (and from 2008, ICT) and for teacher assessments of pupil's performance in those subjects. The Academy will submit to monitoring of its assessment arrangements and may choose to be monitored either:

- (a) by the Local Authority in whose area the Academy exists, with the consent of that Authority; or
- (b) by an Agency accredited by the NAA,

but in either event shall notify the Secretary of State of the basis upon which it has chosen to be monitored, or any change to that choice. The NAA will conduct an annual audit of the monitoring arrangements. The Academy shall comply with the relevant provisions of the Assessment and Reporting Arrangements' as published from time to time by the Qualifications and Curriculum Authority as they apply to maintained schools.

The results of any such assessments shall be reported to the DfES as required by the Department and set out in the Assessment and Reporting Arrangements from time to time applying.'

- 30) The results of any test or assessment conducted in accordance with this clause shall also be reported to the Department and/ or the Local Authority as required and as set out in the Assessment and Reporting arrangements, in a format approved by the Department. The Academy may not offer courses which lead to external qualifications, as defined in section 96 of the Learning and Skills Act 2000, unless they are either approved under section 98 of that Act, or, in respect of individual pupils, groups of pupils or all pupils in Key Stage 4, the Secretary of State gives specific consent for such courses to be offered.

Crisis Management Plan

- 31) Before the Academy opens to pupils it shall have in place a Crisis Management Plan setting out steps to be taken in the event of an emergency situation at the Academy.

School meals

- 32) The Academy shall, if requested to do so by or on behalf of any pupils at the Academy provide school lunches for those pupils unless it would be unreasonable for them to do so. Subject to the provisions of clause 34 charges may be levied for lunches.
- 33) In relation to a pupil who is himself or whose parents are in receipt of benefits mentioned in section 512(3)B of the Education Act 1996 (or equivalent provision governing the entitlement to free school lunches of pupils at maintained schools), the Academy shall ensure that a school lunch is provided for such a pupil, which shall be provided free of charge.
- 33A) All food and drink provided by or on behalf of the Academy shall comply with legislation governing the provision of food and drink in maintained schools as this applies from time to time. In particular, the Academy shall ensure that school meals (breakfasts, lunches or other meals); and food and drink available on the Academy premises through other outlets such as tuck shops and vending machines comply with the relevant standards set out in regulations.

Charging

- 34) Sections 402 (Obligation to enter pupils for public examinations), 450 - 457 (charges), 459 (regulations about information about charges and school hours) and 460 (voluntary contributions), 461 (recovery of sums as civil debt) - 462 (Interpretation re charges) of the Education Act 1996 shall be deemed to apply to the Academy with the following modifications:

 - b) references to registered pupils shall be treated as references to registered pupils at the Academy;
 - c) references to the governing body or the local education authority shall, in each case, be treated as references to the governing body of the Academy;

The prospectus shall include details of admission arrangements and, except insofar as such information is published in a document known as a School Profile (which would accompany the prospectus) the following:

 - b) details of any religious affiliation of the school; policy on providing for children with SEN; arrangements for pupils with disabilities (as specified in Annex 3 to this agreement); pupil absence rates; and destination of school leavers; and

- c) such other information as the Governing Body may determine;
 - d) any further information as set out in Schedule 3 of the Education (School Information) (England) Regulations 2002 (SI 2002/2897) as applies to maintained schools.
- 36) The prospectus shall be published in the school year immediately preceding the school year to which it relates and shall be published at least six weeks before the closing date for applying for a place.

GRANTS TO BE PAID BY THE SECRETARY OF STATE

General

- 37) The Secretary of State shall pay grants under this Agreement towards capital and recurrent expenditure. Except with the Secretary of State's prior agreement, the Academy Trust shall not budget for expenditure in any year in excess of expected income. The Academy Trust shall not enter into commitments which are likely to have substantial implications for future levels of grant, or for the period for which grant may be required. No decision by the Trust shall commit the Secretary of State to paying any particular amount of grant.
- 38) "Recurrent expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of capital expenditure set out at clause 39. The Secretary of State shall pay two separate and distinct grants under the Agreement in respect of recurrent expenditure: General Annual Grant (GAG) and Earmarked Annual Grant (EAG). He will also pay a grant, known as implementation Grant, as defined in clause 47.

CAPITAL GRANT

- 39) "Capital expenditure" means expenditure on:
- a) the acquisition of land and buildings;
 - b) the erection, enlargement, improvement or demolition of any building including fixed plant, installation, wall, fence or other structure, or any playground or hard standing;
 - c) the installation of electrical, mechanical or other services;
 - d) the purchase of vehicles and other self-propelled mechanical equipment;
 - e) the installation and equipping of premises with furnishings and equipment, other than necessary replacements, repairs and maintenance due to normal wear and tear;
 - f) the installation and equipping of premises with computers, networking for computers, operating software and information and communication technology equipment, other than necessary updates or necessary replacements, repairs and maintenance due to normal wear and tear;
 - g) the provision and equipping of premises, including playing fields and other facilities for social activities and physical recreation;
 - h) works of a permanent character other than the purchase or replacement of minor day-to day items;
 - i) any major repairs or replacements which are specified as constituting capital expenditure in any grant letter relating to them;

- j) such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of the Agreement;
- k) all professional fees properly and reasonably incurred in connection with the provision of any of the above;
- l) VAT and other taxes payable on any of the above.

"Capital grant" means grant paid under the Agreement in respect of capital expenditure.

BSF Capital Funding

- 40) Where the Academy is to open in new premises, or where existing premises are to be substantially refurbished or remodelled, the Secretary of State will be responsible for meeting the incurred capital costs. To that end, he will provide funding to St Helens local authority in accordance with arrangements made under the BSF National Construction Contractors' Framework for Academies and Educational Facilities.

Other Capital Expenditure

- 41) Any other capital expenditure during the life of this Agreement on which grant payments are sought from the Secretary of State will require the specific agreement of the Secretary of State, such consent shall not be unreasonably withheld. Unless the Academy Trust undertakes to meet such capital costs entirely itself such approved costs as are incurred will be shared in a proportion to be agreed between the Secretary of State and the Academy Trust in relation to, and having regard to the nature of, each such capital project.

Conditions on Capital Grant

- 42) Any payment of capital grant under the Agreement is subject to the fulfilment of the following conditions:
 - a) such grants are used solely to defray expenditure approved by the Secretary of State;
 - b) the payment of such grants is subject to the Academy Trust certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure to be completed have been obtained or put in place.

Arrangements for Payment of Capital Grant

- 43) Capital Grant will be paid by the Secretary of State to the Academy Trust on the basis of claims for grant submitted to the Secretary of State in the notified format with supporting invoices and certificates as required by the Secretary of State. Capital grant will be paid within 21 days from the day on which a claim for grant is received if the claim is in the proper format, supported by the appropriate documentation and the conditions on its payment set out at clause 42 are complied with. If a dispute arises as to whether a grant claim is acceptable or not both parties undertake to attempt to resolve it in good faith.

Implementation Grant

- 44) The Secretary of State shall pay grant (known as "implementation grant") towards the establishment of the Academy. Implementation grant covers the recurrent expenditure that the parties agree is necessary to establish and open the Academy.
- 45) The Academy Trust shall prepare and submit to the Secretary of State for approval an Implementation Budget showing recurrent costs to be incurred before the Academy opens and for which grant is sought.

- 46) Both parties recognise that as the project develops it may be necessary to revise individual costs in the Implementation Budget and to move costs between budget headings in order to ensure that the project remains within its approved budget. Where the Academy Trust wishes to make such an adjustment of over £10,000, the reason for the change and a revised Implementation Budget must be submitted to the Secretary of State for approval.

Arrangements for Payment of Implementation Grant

- 47) The Secretary of State will pay implementation grant to the Academy Trust on the basis of claims for grant submitted to the Secretary of State in accordance with the approved Implementation Budget and in the notified format with supporting invoices, receipts and documents as required by the Secretary of State. If the grant claim is acceptable the Secretary of State undertakes to pay the amount due within 21 days from the day on which it was received. If a dispute arises over whether a grant claim or part of it is acceptable, both parties undertake to attempt to resolve the dispute in good faith.
- 48) Any amount of approved implementation grant in respect of which the expenditure has not been incurred by the Academy Trust, by the date on which the Academy opens, will lapse and no implementation grant will be payable in respect of that part of the approved implementation budget. Any amount of implementation grant which has been paid but remains unexpended on relevant expenditure by the date on which the Academy opens will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Academy after it has opened. Any amount of implementation grant which is found to have been used on ineligible expenditure will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Academy.

General Annual Grant

- 49) General Annual Grant will be paid by the Secretary of State to the Academy Trust in order to cover normal running costs of the Academy. These costs will include, but are not limited to;
- a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
 - b) non-teaching staff salaries and related costs (including educational support staff, administrative and clerical staff and manual and premises related staff);
 - c) employees' expenses;
 - d) the purchase, maintenance, repair and replacement of teaching and learning materials and other educational equipment including books, stationery, ICT equipment and software, sports and laboratory equipment and materials, other supplies and services;
 - e) examination fees;
 - f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
 - g) insurance;
 - h) medical equipment and supplies;
 - i) staff development (including in-service training);
 - j) curriculum development;

- k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them) and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
 - l) administration;
 - m) establishment expenses and other institutional costs.
- 50) Subject to clauses 54 to 56, GAG for each financial year of the Academy Trust will be the total of the following areas of funding;
- a) Formula Funding: Funding comparable to the level of funding which would be provided through the funding formula of the LA in whose area the Academy is situated, to a maintained school which had all of the Academy's relevant characteristics, including its number of pupils;
 - b) Local Authority Central Spend Equivalent: Funding representing a proportion of the LA Education Budget money which the LA would be able to retain, from the non-delegated elements of the Schools Block and the relevant items in the LA Block, if the Academy were a maintained school. The proportion which this funding will represent will be based on the elements of the LA's Section 52 Budget Return which are relevant to the Academy.
 - c) Specialist Schools Allowance: Funding equivalent to that which a maintained school with the Academy's characteristics would receive in respect of their participation in the specialist schools programme;
- 51) The GAG for the Academy will also include, payable on a basis equivalent to that applied to maintained schools:
- a) funding for matters for which it is necessary for the Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
 - b) payments in respect of further, specific grants made available to maintained schools, where the Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants.
- 52) The basis of the pupil number count for the purposes of determining GAG will initially be the Governing Body's estimate each November for numbers on roll in the following September. However, the basis of the pupil number count will be the Schools Census for the January preceding the academic year in question (preceding September Pupil Count or autumn term Schools Census for pupils in Year 12 and above), once the following conditions have been satisfied for the academic year for which funding is being calculated;
- a) all planned year-groups will be present (that is, all the pupil cohorts relevant to the age-range of the academy will have some pupils present); and
 - b) the total number of pupils as measured in the Schools Census for the preceding January is 90% or more of the planned final size of the Academy, that is 1650 pupils.
- and this basis will continue in all subsequent years.
- 53) For any academic year in which GAG has been based on the Governing Body's estimate, an adjustment will be made to the following year's formula funding element of GAG to recognise any variation from that estimate greater than 2.5%, the additional or clawed-back grant being only that amount relevant to the number of pupils beyond the 2.5% variation. For any

academic year in which GAG is based on the Schools Census (or the September Pupil Count for sixth form pupils), no adjustment will be made to the formula funding element for actual pupil numbers which are below those used to calculate GAG. Neither will an adjustment normally be made to the formula funding element for actual pupil numbers higher than those used; but an adjustment may be made by the Secretary of State if the Academy Trust demonstrates that there has been a significant impact on costs (eg an extra class had been added). For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.

- 54) The Secretary of State recognises that:
- a) in relation to Academies which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the years before all age groups are present at their planned size (the "start-up period") because of a lack of economies of scale. The Secretary of State undertakes to pay an appropriately larger GAG in the start-up period than would be justified solely on the basis of the methods set out in clauses 55 and 56, in order to enable the Academy to operate effectively. The Academy will make a bid to the Secretary of State for this addition to GAG, based upon need and providing appropriate supporting evidence;
 - b) in relation to Academies which open with pupils transferred from one or more LA-maintained schools which have closed, additional GAG resources will be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and - where necessary - to offer a dual curriculum.
- 55) During the start-up period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 50 and 51 to allow the Academy to;
- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
 - b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the start-up period these costs will be met through the ordinary GAG.

- 56) The Secretary of State recognises that if he serves notice of intention to terminate this Agreement under clause 87 the intake of new pupils during the 7 year notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG in the notice period than would be justified solely on the basis of the methods set out in clauses 50 and 51, in order to enable the Academy to operate effectively.

Earmarked Annual Grant

- 57) Earmarked Annual Grant shall be paid by the Secretary of State to the Academy Trust in respect of either recurrent or capital expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Academy Trust and as described in the relevant funding letter. The Academy is free to determine how best to use each of its EAGs within the scope, terms and conditions of the grant set out in the relevant funding letter.

- 58) Where the Academy Trust is seeking a specific EAG in relation to any financial year, it shall submit a letter outlining its proposals and the reasons for its request to the Academies Division, Sanctuary Buildings, Great Smith Street, London SW1P3BT, by 15th February preceding the financial year in question.

Arrangements for Payment of GAG and EAG

- 59) The Secretary of State shall notify the Academy Trust in December preceding the start of each financial year of the GAG and EAG figures which, subject to Parliamentary approval, the Secretary of State plans for that year and of the assumptions and figures on which these are based.
- 60) If an error in the calculation of GAG or EAG occurs for any year, whether in the calculation or because of erroneous data supplied to the Secretary of State, the Secretary of State reserves the right to correct the calculation and, if appropriate, amend the baseline calculations for GAG in subsequent years. If an underpayment or overpayment has occurred as a consequence of the error, the Secretary of State will consider paying additional grant, and reserves the right to recover overpaid grant, as appropriate, having considered all the relevant circumstances.
- 61) The amount of GAG for an Academy financial year will be determined annually by the Secretary of State. The amount of GAG will be notified to the Academy Trust in a funding letter not later than 1 April preceding that financial year ("the annual letter of funding"). The annual letter for funding will not include the amount that the Academy Trust will receive in respect of grants for which information to enable timely calculation is not available or is incomplete, such grants will be notified as soon as practicable later in the year. Amounts of EAG will be notified to the Academy Trust wherever possible in the annual letter of funding or as soon as practicable thereafter.
- 62) For the purposes of this Agreement, the Academy's financial year shall be deemed to run from September to August, in order to align it to the school academic year. The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the annual letter of funding.

Other relevant funding

- 63) The Secretary of State shall meet a proportion of the costs arising from the inclusion of Academies in the Schedules to the Redundancy Payments (Continuity of Employment in Local Government) (Modification) Order 1999. The Secretary of State shall meet the costs of the employee's prior eligible service and the Academy Trust shall meet the costs of service in the Academy. The Academy shall seek the Secretary of State's consent for these redundancies, such consent not to be unreasonably withheld, before committing to the redundancies.
- 64) The Secretary of State may meet costs incurred by the Academy Trust in connection with the transfer of employees from a predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 1981. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Academy Trust shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.
- 65) The Academy Trust may also receive funding from LAs in respect of the provision detailed in statements of special educational needs for pupils attending the Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Academy shall ensure that all provision detailed in statements of SEN is provided for such pupils.

- 66) The Academy Trust should also receive funding from the LA in whose area it is located, from the Standards Fund. The scheme under which the Standards Fund money is to be distributed by the Secretary of State to LAs and schools will permit LAs to receive grants on behalf of Academies in the same way as they can do for maintained schools. The Academy must use any grants received under the Standards Fund in accordance with any conditions specified in relation to that grant. Grants paid to the Academy Trust from the Standards Fund are not paid under this Agreement.

Financial and Accounting Requirements

- 67) The Principal shall be the Academy's Accounting Officer. The Accounting Officer will be personally responsible to the Trustees for ensuring regularity and propriety, and for the economic, efficient and effective use of resources (i.e. ensuring value for money), and administration of the financial affairs of the Academy. The Accounting Officer may delegate or appoint others, such as a Finance Director, to assist in carrying out these responsibilities.
- 68) The Academy shall abide by the provisions within the Academies Financial Handbook, as published by the Department for Education and Skills and amended from time to time, which sets out in detail provisions for the financial management of the Academy including guidance on financial systems and controls and accounting and reporting requirements.
- 69) The formal budget should take in to account items in the School Development Plan requiring expenditure and must be approved each year by the Governing Body.
- 70) Any payment of grant by the Secretary of State is subject to his being satisfied as to the fulfilment by the Academy of the following conditions:
- a) that in its conduct and operation the Academy shall apply financial and other controls which conform with the requirements both of propriety and of good financial management;
 - b) that arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets are produced in such form and frequency as the Secretary of State may from time to time reasonably direct;
 - c) that such financial statements are published at the end of each financial year (as defined in clause 62) in such form and manner as the Secretary of State may reasonably direct and a copy sent to him by 31 December each year. These should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of the Academy affairs and that the grants were used for the purposes intended;
 - d) that the Academy prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 1985;
 - e) that a statement of the accounting policies used is sent to the Secretary of State with the financial statements;
 - f) that the Academy insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the site upon which the Academy is situated;
 - g) (i) that the Academy prepares and files with the Charity Commission annual accounts prepared in accordance with the Statement of Recommended Practice;
 - (ii) the governing body shall comply with their obligation under the Charities Act 1993 (or any statutory re-enactment or modification of that Act) with regard

to the preparation of an annual report and its transmission to the Charity Commissioners;

- h) The Governing Body shall secure that the Academy's accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State.
- 71) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Academy.
- 72) The books and accounts and all relevant records, files and reports of the Academy including those relating to financial controls, shall be open at all reasonable times to officials of the Department for Education and Skills and the National Audit Office and to contractors retained by the Department for Education and Skills or the National Audit Office for inspection or the carrying out of value for money studies; and the Academy shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause, relevant means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.
- 73) The Governing Body shall submit indicative budgets to the Secretary of State not later than by 15 February before the start of each Academy financial year. Such budgets shall set out clearly the prospective income and expenditure of the Academy and shall differentiate, and give adequate details of:
- a) a statement of expected income for that year including cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital and revenue expenditure, distinguishing between income from public funds including the national lottery and income from other sources;
 - b) a statement of proposed recurrent expenditure for that financial year;
 - c) a statement of proposed capital expenditure for that financial year.
- 74) At the beginning of any year the Company may hold unspent GAG from previous years amounting to 12% of the total GAG payable in the year just ended or such higher amount figure as may from time to time be agreed. This carried forward amount may be used as follows:
- a) equivalent to 2% of the total GAG payable in the year just ended, may be used for any of the purposes for which GAG is paid;
 - (b) equivalent to 12% of the total GAG payable in the year just ended, or such higher amount figure as may from time to time be agreed, minus any amount used under clause (a), may be used on the upkeep and improvement of premises, including the cost of equipment and routine repairs and maintenance, and on capital expenditure
- Any grant paid in accordance with clauses 54 and 55 may be carried forward without limitation or deduction to the end of the start up period or until the circumstances referred to in clause 60 come to an end.
- 75) Any savings of GAG not allowed under clause 74 will be taken into account in the payment of subsequent grant.
- 76) The Governing Body may also accumulate funds from private sources or public sources other than grant from the Secretary of State for application to the benefit of the Academy as it sees fit. Any surplus arising from private sources or public sources other than grant from the Secretary of State shall be separately identified in the balance sheet.

- 77) The Academy Trust shall not, without the prior written consent of the Secretary of State which shall not be unreasonably withheld or delayed:
- a) give any guarantees, indemnities (except such as are given in normal contractual relations) or letters of comfort;
 - b) write off any debts or liabilities owed to it above a value to be set out in the annual funding letter, nor offer or make any ex gratia payments;
 - c) make any freehold sale or purchase; or
 - d) grant or take up any leasehold or tenancy agreement for a term exceeding three years.
- 78) Each discovered loss of an amount exceeding the amount set out in the annual letter of funding, and arising from suspected theft or fraud, shall be reported by the Governing Body to the Secretary of State at the earliest opportunity.
- 79) It is the responsibility of the Governing Body to ensure that the Academy balances its budget from year to year.

Borrowing Powers

- 80) The Academy Trust shall not borrow without specific approval of the Secretary of State, such approval may only be granted in limited circumstances. The Academy Trust shall not operate an overdraft except to cover irregularities in cash flow. Such an overdraft, and the maximum amount to be borrowed, shall require approval by the Academy Trust in General Meeting and in writing by the Secretary of State, and shall be subject to any conditions which the Secretary of State may reasonably impose.

DISPOSAL OF ASSETS

- 81) Where the Academy Trust acquires assets for a nil consideration or at an under value it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to assets transferred at nil or nominal consideration and which were previously used for the purposes of a school or where transferred from an LA; the value of which assets shall be disregarded.
- 82) The sale, or disposal by other means, or reinvestment of proceeds from the disposal, of a capital asset by an Academy Trust shall require the consent of the Secretary of State where:
- a) the Secretary of State paid capital grant in excess of £20,000 for the asset; or
 - b) the asset was transferred to the Academy Trust from a Local Education Authority for no or nominal consideration
- such consent not to be unreasonably withheld or delayed. Furthermore, reinvestment exceeding £1m or with other special features will be subject to Parliamentary approval.
- 83) This clause applies in the event, during the lifetime of this agreement, of the disposal of a capital asset for which capital grant of any amount was paid, where the asset was acquired by the Academy Trust. In this event, the Academy Trust shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Academy Trust for its charitable purposes.
- 84) This clause applies in the event, during the lifetime of this agreement, that the Secretary of State consents to the disposal of an asset which was transferred to the Academy Trust from a Local Education Authority for no or nominal consideration. In this event the Secretary of

State may give consent on the basis that all or part of the proceeds of the disposal should be made over to the Local Education Authority from which the asset was transferred, taking into account the amount of the proceeds to be reinvested by the Academy Trust. The Secretary of State will have regard to any representations from the Academy Trust and the Local Education Authority from which the asset was transferred before giving a consent under this clause.

- 85) Except with the consent of the Secretary of State, the Academy Trust shall not dispose of assets for a consideration less than the best that can reasonably be obtained.

TERMINATION

- 86) Subject to prior termination of this agreement under clauses 87 - 90, the Secretary of State shall continue payments in respect of current expenditure for a period of not less than seven years.
- 87) Either party may give seven years written notice of its intention to terminate this Agreement, such notice to expire on 31 August in any year.
- 88) If the Secretary of State is of the opinion that the Academy no longer has the characteristics set out in clause 9 or that the conditions and requirements set out in clauses 10-36 are not being met, or is otherwise in breach of the provisions of this Agreement, the Secretary of State may give notice of his provisional intention to terminate this Agreement.
- 89) Any such notice shall be in writing and shall:
- a) state the grounds on which he considers the Academy no longer has the characteristics set out in clause 9 or is not meeting the conditions and requirements of clauses 10 - 36 or is otherwise in breach of the provisions of this Agreement;
 - b) specify the measures needed to remedy the situation;
 - c) specify the date by which these measures are to be implemented; and
 - d) state the form in which the Governing Body is to provide its response and the date by which it must be provided.
- 90) If no response is received by the date specified in clause 89c, the Secretary of State may give the Governing Body 12 months', or such lesser period as he considers appropriate in the circumstances, written notice of his intention to terminate this Agreement.
- 91) If a response is received by the date specified in clause 89c, the Secretary of State shall consider it, and any representations made by the Governing Body, and shall, within 3 months of its receipt, indicate that:
- a) he is content with the response and that the measures which he specified are being implemented; or
 - b) he is content, subject to any further measures he specifies being implemented by a specified date or any evidence he requires that implementation of such measures have been successfully completed; or
 - c) he is not satisfied, that he does not believe that he can be satisfied, and that he will proceed to terminate the Agreement.
- 92) In the circumstances of clause 91c the Secretary of State shall notify the Governing Body why he believes that he cannot be satisfied and, if so requested by the Governing Body within thirty days from such notification, he shall meet a deputation from the members and governors of the Academy to discuss his concerns. If following such meeting he has good

reasons for remaining satisfied that the Academy does not and will not have the characteristics set out in clause 9 or does not and will not meet the conditions and requirements set out in clauses 10 - 36 or does not and will not otherwise comply with the provisions of this Agreement, he shall give the Governing Body twelve months' written notice of his termination of this Agreement.

- 93) If the Secretary of State has cause to serve a notice on the Governing Body under s.165 of the Education Act 2002 and the matters specified in the notice are not remedied, the period of twelve months' notice referred to in clause 93 may be shortened to a period deemed appropriate by the Secretary of State.
- 94) The Secretary of State may at any time by notice in writing terminate this Agreement forthwith on the occurrence of any of the following events:-
- a) the Academy Trust calls a meeting of its creditors (whether formal or informal) or enters into any composition or arrangement (whether formal or informal) with its creditors; or
 - b) the Academy Trust proposes a voluntary arrangement within Section 1 of the Insolvency Act 1986; or
 - c) the Academy Trust is unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 provided that, for the purposes of this Clause. Section 123 (1)(a) of the Insolvency Act 1986 shall have effect as if the amount of £10,000 was substituted for £750. The Academy Trust shall not be deemed unable to pay its debts for the purposes of this clause if any such demand as is mentioned in the said Section is being contested in good faith by the Academy; or
 - d) the Academy Trust has a receiver (and manager with the exception of Receivers and Managers appointed by the Charity Commission under the Charities Act 1993 or any subsequent re-enactment of that Act), administrator or administrative receiver appointed over all or any part of its undertakings, assets or income; or
 - e) any restraint, execution or other process is levied or enforced on any of the Academy Trust's property and is not paid out, withdrawn or discharged within fifteen Business Days; or
 - f) the Academy Trust has passed a resolution for its winding up; or
 - g) the Academy Trust has a petition presented to any Court for its winding up or for an administration order; or
 - h) the Academy has ceased to operate as a Academy (except where such cessation occurs temporarily by reason of an event of Force Majeure);
 - i) both:
 - ia) following an inspection of the Academy under Chapter 1 of Part 1 of the Education Act 2005, the Chief Inspector has provided a notice to the Secretary of State under subsection 13 (3)(a) of the Education Act 2005 Specifying that the case falls within subsection 1(a) of that section ("*school requiring special measures*") (a Special Measures Notice); and
 - ib) not less than 12 months after the provision of any Special Measures Notice provided in respect of the Academy, a subsequent inspection of the Academy has been made under Part 1 of the Education Act 2005 whilst the Special Measures Notice still applies and the person making the subsequent inspection has made a report stating that in his opinion the Academy has made insufficient progress since the last inspection, or has otherwise failed to improve to the extent required by the person making the

inspection.

Business Days" in this clause, means any day other than a Saturday, a Sunday, Christmas Day, Good Friday or a day which is a bank holiday within the meaning of the Banking and Financial Dealings Act 1971.

Effect of Termination

- 95) In the event of termination of this agreement, however occurring, the school shall cease to be an Academy.
- 96) If the Secretary of State terminates this Agreement for reasons other than that the Academy no longer has the characteristics set out in clause 9, or is no longer meeting the conditions and requirements set out in clauses 10 - 36 or is otherwise in breach of the provisions of this Agreement, the Secretary of State shall indemnify the Academy Trust.
- 97) The amount of any such indemnity shall be determined by the Secretary of State having regard to any representations made to him by the Academy Trust, and shall be paid at such times and in such manner as the Secretary of State may reasonably think fit.
- 98) The amounts and categories of expenditure incurred by the Academy Trust in consequence of the termination of the Agreement in respect of which the Secretary of State shall indemnify the Academy Trust include (but not by way of limitation), staff compensation and redundancy payments, compensation payments in respect of broken contracts, expenses of disposing of assets or adapting them for other purposes, legal and other professional fees, and dissolution expenses.
- 99) In the event of the termination of this Agreement however occurring the Secretary of State shall procure that his nominee shall resign as a member of the Academy Trust and shall cooperate in making any associated amendments to the Academy Trust Articles of Association.
- 100) Subject to clause 101, on the termination of this agreement, however occurring, the Academy Trust shall repay to the Secretary of State a sum in respect of the capital contribution made by him under clauses 39-41 above. The amount to be repaid to the Secretary of State shall be a percentage of the value of the assets belonging to the Academy Trust at the date of termination (or by agreement with the Secretary of State) at the date of subsequent disposal of those assets, such percentage to be the same as the percentage of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or later.
- 101) The Secretary of State may waive in whole or in part the repayment due under the above clause if:
- a) The Academy Trust is unable to realise the market value of land or premises because they are returned to the Local Authority at less than market value; or
 - b) The Academy Trust obtains his permission to invest the proceeds of sale for its charitable objects; or
 - c) The Secretary of State directs all or part of the repayment to be paid to the Local Authority.
- 102) If any land or premises of the Academy were acquired from a Local Authority by a scheme under Schedule 35A of the Education Act 1996 or otherwise at less than the market price, and the Secretary of State does not make a scheme as provided for in Schedule 35A (Paragraph 8) of the Education Act 1996, the Academy Trust may dispose of its interest in that land or premises but only with the consent of the Secretary of State, who shall have regard to any representations from the Academy Trust and the Local Authority from which

the land was transferred before giving or withholding that consent.

Access by the Secretary of State's Officers

All records, files and reports relating to the running of the Academy shall be available to them at any reasonable time. The Governing Body shall provide the Department in advance with papers relating to all meetings of the Governing Body of the Academy and of members of the Academy. ANNEX 2

THE ADMISSION OF PUPILS TO THE NEWTON ACADEMY

1. The Academy will act in accordance with, and will ensure that the Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the statutory codes of practice (the School Admissions Code and the School Admission Appeals Code of Practice) as they apply at any given time to maintained schools and with the law on admissions as it applies to maintained schools. Reference in the codes to admission authorities shall be deemed to be references to the governing body of the Academy. In particular, the Academy will take part in the Admissions Forum set up by St Helen's LA and have regard to its advice; and will participate in the co-ordinated admission arrangements operated by St Helen's LA.
2. Pupils will be admitted to the Newton Academy in accordance with the detailed admission arrangements described in the Admissions Policy Document. Changes to the Admissions Policy Document will require the approval of the Secretary of State.

Arrangements for appeals panels

3. Parents will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the Newton Academy. The Appeal Panel will be independent of the Academy. The arrangements for Appeals will be in line with the School Admission Appeals Code of Practice published by the Department for Education and Skills as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel is binding on all parties. The Academy should prepare guidance for parents about how the appeals process will work and provide parents with a named contact who can answer any enquiries parents may have about the process. The Academy may, if it chooses, enter into an agreement with the local authority for it to recruit, train and appoint appeal panel members, and to arrange for the process to be independently administered and clerked.

II; ANNUAL PROCEDURES FOR DETERMINING ADMISSION ARRANGEMENTS

Consultation

4. The Newton Academy shall consult by 1 March each year on its proposed admission arrangements with relevant parties in line with the requirements of the School Admissions Code and relevant admissions legislation. (At the date of this Agreement, section 89 of the School Standards and Framework Act 1998 as amended, and regulations under that section.)

Determination and publication of admission arrangements

5. Following consultation, the Newton Academy will consider comments made by those consulted. The Newton Academy will then determine its admission arrangements by 15 April of the relevant year and notify those consulted what has been determined within 14 days.

Publication of admission arrangements

6. The Newton Academy will publish its admission arrangements each year once these have been determined in accordance with the arrangements described in the Admissions Policy Document.

Representations about admission arrangements

7. Where any of those bodies that were consulted, or that should have been consulted, make representations to the Newton Academy about its admission arrangements, the Newton Academy will consider such representations before determining the admission arrangements. Where the Academy has determined its admission arrangements and notified all those bodies whom it has consulted and any of those bodies object to the

Academy's admission arrangements they can make representations to the Secretary of State. These representations must be made by 30 April. The Secretary of State will consider the representation and in so doing will consult the Newton Academy. Where he judges it appropriate, the Secretary of State may direct the Newton Academy to amend its admission arrangements.

8. Those consulted have the right to ask the Newton Academy to increase its proposed Published Admissions Number for any year. Where such a request is made, but agreement cannot be reached locally, they may ask the Secretary of State to direct the Newton Academy to increase its proposed Published Admissions Number. The Secretary of State will consult the Newton Academy and will then determine the Published Admissions Number.
9. In addition to his powers in paragraphs 8 and 9 above, the Secretary of State may direct changes to the Newton Academy's proposed admission arrangements and to the proposed Published Admissions Number.

Proposed changes to admission arrangements by the Newton Academy after arrangements have been published

10. Once the admission arrangements have been determined for a particular year and published, the Newton Academy will propose changes only if there is a major change of circumstances. In such cases, the Newton Academy must notify those consulted under paragraph 4 above of the proposed variation and must then apply to the Secretary of State setting out:
 - a) the proposed changes;
 - b) reasons for wishing to make such changes;
 - c) any comments or objections from those entitled to object.

Need to secure Secretary of State's approval for changes to admission arrangements

11. The Secretary of State will consider applications from the Newton Academy to change its admission arrangements only when the Newton Academy has notified and consulted on the proposed changes as outlined at 4 above.
12. Where the Newton Academy has consulted on proposed changes the Newton Academy must secure the agreement of the Secretary of State before any such changes can be implemented. The Newton Academy must seek the Secretary of State's approval in writing, setting out the reasons for the proposed changes and passing to him any comments or objections from other admission authorities/other persons.
13. The Secretary of State can approve, modify or reject proposals from the Newton Academy to change its admission arrangements.
14. Records of applications and admissions shall be kept by the Newton Academy for a minimum period of ten years and shall be open for inspection by the Secretary of State.

Approved Admission Arrangements for Newton Academy

1. This document sets out the admission arrangements for the Newton Academy in accordance with Annex 2 to the Funding Agreement between the Newton Academy and the Secretary of State. If more applications are received than there are places available, the oversubscription criteria in paragraph 6 shall apply. Parents whose application is turned down are entitled to appeal,
14. The Newton Academy will participate in St Helens LA's In Year Fair Access Protocol

Arrangements for admission of pupils as the Newton Academy builds to its full capacity

Any changes to be made to the provisions set out in this document must be approved in advance by the Secretary of State.

Duties in relation to pupils with SEN

2. The governors of the Academy shall designate a person, who may be the headteacher, the chair of governors or another governor as appropriate, who shall be the responsible person for the purposes of the following duties in relation to pupils with SEN.
3. The governors of the Academy shall:
 - o use their best endeavours, in exercising their functions in relation to the school, to secure that, if any registered pupil has special educational needs, the special educational provision which the pupil's learning difficulty calls for is made;
 - o secure that, where the responsible person has been informed by the local education authority that a registered pupil has special educational needs, those needs are made known to all who are likely to teach the pupil;
 - ® secure that the teachers in the school are aware of the importance of identifying, and providing for, those registered pupils who have special educational needs; and
 - s consult the local education authority and the governing bodies of other schools in the area, to the extent that this is necessary for co-ordinating provision for pupils with SEN.
4. Where a child who has special educational needs is being educated in the Academy, those concerned with making special educational provision for the child shall secure, so far as is reasonably practicable and is compatible with:
 - (a) the child receiving the special educational provision which his learning difficulty calls for,
 - (b) the provision of efficient education for the children with whom he will be educated,
 - (c) the efficient use of resources and
 - (d) that the child engages in the activities of the school together with children who do not have SEN.
5. The Academy prospectus shall include details of the governing body's policy for pupils with SEN and in particular shall include the information specified in Schedule 1 to the Education (Special Educational Needs) (Information) Regulations 1999 as amended or re-enacted from time to time. It shall also include details of the arrangements for the admission of disabled pupils; the steps taken to prevent disabled pupils from being treated less favourably than other pupils; and the facilities provided to assist access to the Academy by disabled pupils (disabled pupils meaning pupils who are disabled for the purposes of the Disability Discrimination Act 1995).

Admissions

6. The Academy shall ensure that pupils with SEN are admitted on an equal basis with others in accordance with its admissions policy.

7. Where a local education authority proposes to name the Academy in a statement of SEN made in accordance with section 324 of the Education Act 1996, the Academy shall consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children; and where no reasonable steps may be made to secure compatibility. In deciding whether a child's inclusion would be incompatible with the efficient education of other children, the Academy shall have regard to the relevant guidance issued by the Secretary of State to maintained schools.
8. In the event of any disagreement between the Academy and the local education authority over the proposed naming of the Academy in a statement, the Academy may ask the Secretary of State to determine whether the Academy should be named. The Secretary of State's determination shall, subject only to any right of appeal which any parent or guardian of the child may have to the Special Educational Needs and Disability Tribunal (SENDIST), be final.
9. If a parent or guardian of a child in respect of whom a statement is maintained by the local education authority appeals to SENDIST either against the naming of the Academy in the child's SEN statement or asking the Tribunal to name the Academy, then the decision of the Tribunal on any such appeal shall be binding and shall, if different from that of the Secretary of State under paragraph 7 above, be substituted for the Secretary of State's decision.
10. Where the Academy has consented to be named in a child's statement of SEN, or the Secretary of State or SENDIST have determined that it should be named, the Academy shall admit the child notwithstanding any provision of Annex 2 of this agreement.

ANNEX 4

SERIOUS INCIDENTS OF MISBEHAVIOUR LEADING TO FIXED PERIOD OR PERMANENT EXCLUSION

1. In discharging its duty the Academy Trust will have regard and will ensure that the Independent Appeal Panel has regard to the Secretary of State's guidance ("the Guidance") on exclusions for maintained schools in accordance with any written advice from the Secretary of State on the interpretation of such Guidance for the purpose of this Annex.
2. For the avoidance of doubt nothing in this Annex shall require the Academy Trust to follow the Guidance where it identifies a reasonable reason for departing from the Guidance, but the Academy Trust will record the reason for departure in writing
3. At the date of this agreement, the Secretary of State's Guidance is called "Improving Behaviour and Attendance: Guidance on Exclusion from Schools and Pupil Referral Units", which is published on the DfES website at:

<http://www.teachernet.gov.uk/wholeschool/behaviour/exclusion/guidance/>.
4. The title, contents and publication site of the Guidance may be subject to change and the Academy Trust will, subject to paragraph 2 above and subject to having the opportunity (in common with others) to comment upon any revision to the Guidance, have regard to the Guidance as it stands at any given time.

Constitution and conduct of independent appeal panels

5. In addition to the obligations under paragraphs 1 to 4 above, the Academy Trust will be responsible for carrying out and managing its Appeal processes. The Appeal panel and process must be impartial and constituted in accordance with the provisions of the Academy Trust's Appeals procedure. The Academy Trust's Appeals procedure is subject to the approval of the Secretary of State, such approval not to be unreasonably withheld or delayed. The Academy Trust will arrange suitable training for appeal panel members and clerks.
6. Where there is any divergence between the constitutional requirements and/or procedural requirements of the Guidance and those of the Academy Trust's Appeals procedure, the requirements of the latter will prevail.
7. The appeal panel's decision is final and binding on the Academy Trust. Decisions of appeal panels are in principle amenable to judicial review on the application of a parent. A parent may not, however, appeal to the Commissioner for Local Administration (the Local Government Ombudsman) about maladministration because the Commissioner's remit is limited to considering the conduct of appeal panels constituted by Local Authorities.
