Dear Ms Kennefick

Re: Replacing Annex B in your Funding Agreement: Admission of Pupils

Further to your letter of 5th June 2014, enclosing the proposed replacement Annex B in the Funding Agreement of King Edward VI Five Ways School I confirm that the school is content for the EFA to move the school on to the updated admissions Annex B with immediate effect.

We look forward to receiving confirmation that this is now in place.

Yours sincerely

Mrs Y Wilkinson
