5 TERMINATION

5.1 Either party may give not less than seven Academy Financial Years' written notice to terminate this Agreement, such notice to expire on 31 August 2019 or any subsequent anniversary of that date.

Multi Academy Model Mainstream

- 5.2 If the Secretary of State is of the opinion that the Academy no longer has the characteristics set out in clause 13 of the Master Agreement (as amended by this Agreement) or that the conditions and requirements set out in clauses 14 to 56D of the Master Agreement (as amended by this Agreement) are not being met, or that the Company is otherwise in material breach of the provisions of this Agreement or the Master Agreement (as amended by this Agreement), the Secretary of State may give notice of his provisional intention to terminate this Agreement.
- 5.3 Any such notice shall be in writing and shall:
- a) state the grounds on which the Secretary of State considers the Academy no longer has the characteristics set out in clause 13 of the Master Agreement (as amended by this Agreement) or is not meeting the conditions and requirements of clauses 14 to 56D of the Master Agreement (as amended by this Agreement) or the Company is otherwise in material breach of the provisions of this Agreement or the Master Agreement (as amended by this Agreement);
 - b) specify the measures needed to remedy the situation or breach;
 - c) specify a reasonable date by which these measures are to be implemented; and

- 5.5 If a response is received by the date specified in accordance with clause 5.3(d), the Secretary of State shall consider it, and any representations made by the Company, and shall, within three months of its receipt, indicate that:
- a) he is content with the response and/or that the measures which he specified are being implemented; or

Multi Academy Model Mainstream

- b) he is content, subject to any further measures he reasonably specifies being implemented by a specified date or any evidence he requires that implementation of such measures have been successfully completed; or
 - c) he is not satisfied, that he does not believe that he can be reasonably satisfied, and that he will proceed to terminate the Agreement.
- 5.6 In the circumstances of clause 5.5(c) the Secretary of State shall notify the Company why he believes that he cannot be reasonably satisfied and, if so requested by the Company within thirty days from such notification, he shall meet a deputation including representatives from directors of the Company and the Local Governing Body of the Academy to discuss his concerns. If following such meeting he has good reasons for remaining satisfied that the Academy does not and will not have the characteristics set out in 13 of the Master Agreement (as amended by this Agreement) or does not and will not meet the conditions and requirements set out in clauses 14 to 56D of the Master Agreement (as amended by this Agreement) or the Company is in material breach of the provisions of this Agreement or the Master Agreement (as amended by this Agreement) and such breach will not be remedied to his reasonable satisfaction, he shall give the Company twelve months written notice to terminate this Agreement.
- 5.7 If the Secretary of State has cause to serve a notice on the Company under section 165 of the Education Act 2002 and a determination (from which all rights of appeal have been exhausted) has been made that the Academy shall be struck off the Register of Independent Schools, the period of twelve months notice referred to in clause 5.6 may be shortened to a period deemed appropriate by the Secretary of State.
- 5.8 The Secretary of State shall, at a date preceding the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the "Indicative Funding"). If the Company is of the opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the "Critical Year") and of the taking into account all other resources available and likely to be available to

Multi Academy Model Mainstream

the Academy, including such funds as are set out in clause 117 of the Master Agreement (as amended by this Agreement) and such other funds as are and likely to be available to the Academy from other academies operated by the Company ("All Other Resources"), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

5.9 Any notice given by the Company under clause 5.8 above shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the date specified in clause 5.8 above, within six weeks after the Secretary of State shall have done so. The notice must specify:

- a) the grounds upon which the Company's opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and
- b) the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and
- c) a detailed budget of income and expenditure for the Academy during the Critical Year (the "Projected Budget").

5.10 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the

Multi Academy Model Mainstream

pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.

- 5.11 If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the "Expert") for resolution. The Expert's determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the "Shortfall"). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert's fees shall be borne equally between the parties.
- 5.12 The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist's fees shall be borne equally between the parties.
- 5.13 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert's determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.

Multi Academy Model Mainstream

- 5.14 If the Company shall have given notice to terminate the Agreement under clause 5.13, the Secretary of State may by notice in writing to the Company require the Company to appoint up to two persons as directors of the Company in accordance with the Articles.
- 5.15 The Secretary of State may at any time by notice in writing terminate this Agreement forthwith if the Academy has ceased (except where such cessation occurs temporarily by reason of an event beyond the reasonable control of the Company) to operate as an Academy within the meaning of Section 1 of the Academies Act 2010.
- 5.16 A “Special Measures Termination Event Occurs” when:
- a) the Chief Inspector gives a notice to the Company in accordance with section 13(3) of the Education Act 2005 (the “Special Measures Notice”) stating that in his opinion special measures are required to be taken in relation to the Academy; and
 - b) the Chief Inspector carries out a subsequent inspection of the Academy in accordance with the Education Act 2005 and makes a report in accordance with the Education Act 2005 stating that the Academy has made inadequate progress since the date of the Special Measures Notice; and
 - c) the Secretary of State shall have requested the Company to deliver within 10 Business Days a written statement (a “Further Action Statement”) of the action the Company proposes to take, and the period within which it proposes to take such action, or, if it does not propose to take any action, the reasons for not doing so; and
 - d) the Secretary of State, having considered the Further Action Statement, is not satisfied that any action proposed to be taken by the Company is sufficient in all the circumstances, or, if no Further Action Statement shall have been given to the Secretary of State within the requested timeframe or otherwise.
- 5.17 If a Special Measures Termination Event occurs, the Secretary of State may:

Multi Academy Model
Mainstream

- a) by notice in writing to the Company terminate this Agreement forthwith; or
- b) subject to clause 140 of the Master Agreement (as amended by this Agreement), appoint such Further Directors to the Company as he thinks fit in accordance with the Articles and/or may provide up to 12 months' notice in writing to terminate this Agreement.

5.18 In the event that the Secretary of State appoints Further Directors in accordance with clause 140(b) of the Master Agreement (as amended by this Agreement), the Company must, upon the request of the Secretary of State, procure the resignation of the Directors appointed in accordance with Article 50 of the Articles of Association.

5.19 If, following the exercise of the Secretary of State's powers to appoint Additional Directors or Further Directors, pursuant to the Articles of Association the Members pass an ordinary or special resolution to remove one or more of those Additional or Further Directors appointed by the Secretary of State, the Secretary of State may give the Company 12 months, or such lesser period as he considers appropriate in the circumstances, written notice to terminate this Agreement.

CHANGE OF CONTROL OF THE COMPANY

5.20 The Secretary of State may at any time by notice in writing, subject to clause 5.22 below, terminate this Agreement forthwith (or on such other date as he may in his absolute discretion determine) in the event that there is a change:

- a) in the Control of the Company;
- b) in the Control of a legal entity that Controls the Company.

Provided that where a person ('P') is a member or director of the body corporate (as a corporation sole or otherwise) by virtue of an office, no change of Control arises merely by P's successor becoming a member or director in P's place.

Multi Academy Model

- 5.21 The Company shall, as soon as it is reasonably practicable to do so after it has become aware of any change or proposed change of Control within the meaning of clause 5.20, give written notice to the Secretary of State of such change or proposed change of Control.
- 5.22 When notifying the Secretary of State further to clause 5.21, the Company may seek the Secretary of State's agreement that, if he is satisfied that the person assuming Control is suitable, he will not in those circumstances exercise his right to terminate this Agreement further to clause 5.20.

6 EFFECT OF TERMINATION

- 6.1 In the event of termination of this Agreement however occurring, the school shall cease to be an Academy within the meaning of Section 1 of the Academies Act 2010.
- 6.2 Subject to clause 6.3, if the Secretary of State terminates this Agreement for reasons other than that a Special Measure Termination Event occurs, the Academy no longer has the characteristics set out in clause 13 of the Master Agreement (as amended by this Agreement), or is no longer meeting the conditions and requirements set out in clauses 14 to 56D of the Master Agreement (as amended by this Agreement) or that the Company is otherwise in material breach of the provisions of this Agreement or the Master Agreement (as amended by this Agreement), the Secretary of State shall indemnify the Company.
- 6.3 The amount of any such indemnity shall be determined by the Secretary of State having regard to any representations made to him by the Company, and shall be paid at such times and in such manner as the Secretary of State may reasonably think fit.

52. In relation to a pupil who is himself or whose parents are in receipt of benefits mentioned in section 512ZB of the Education Act 1996 (or equivalent provision governing the entitlement to free school lunches of pupils at maintained schools), the Company shall ensure that a school lunch is provided for such a pupil free of charge to be funded out of the Company’s GAG.”

“c) the installation of electrical, mechanical or other services other than necessary replacements, repairs and maintenance due to normal wear and tear;

available by and/or on behalf of the Secretary of State or otherwise) save that, to the extent that such insurance and/or comparable arrangements as may be made available constitute a cost for the Company, the Secretary of State shall provide a contribution through GAG in relation to such cost;”

8.28 Clauses 89 to 109 in the Master Agreement do not apply to this Agreement and are replaced with the following new clauses 89 To 109 for the purpose of this Agreement;

“89. Subject to clauses 97 to 98, GAG for each Academy Financial Year for the Academy will include;

- a) funding equivalent to that which would be received by a maintained school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
- b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained school.

90. The GAG for each Academy Financial Year for the Academy will also include, payable on a basis equivalent to that applied to maintained schools:

- a) funding for matters for which it is necessary for the Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
- b) payments in respect of further, specific grants made available to maintained schools, where the Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants.

91. Subject to clause 93, the basis of the pupil number count for the purposes of determining GAG for the Academy Financial Year in which the Academy opens shall be the same basis as that used by the Local Authority for determining the budget share of the predecessor

Multi Academy Model Mainstream

maintained school as adjusted by numbers counted in any subsequent Schools Census, as determined by the Secretary of State. In subsequent years the basis of the pupil count will be as determined by the Secretary of State.

92. Subject to clause 93, the basis of the pupil number count for the purpose of determining GAG for the Academy for Academy Financial Years after the Academy Financial Year in which the Academy opens will be:
- a) for the pupil number count for pupils in Year 11 and below, the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question; and
 - b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.
93. Where either of the following conditions applies in respect of an Academy Financial Year, the basis of the pupil count shall be determined by the Secretary of State, taking account of any diseconomies of scale that the Academy will be under as a result of such condition(s) applying. The conditions are:
- a) not all planned Year-groups will be present at the Academy (that is, not all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); or
 - b) the total number of pupils as measured in the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question is less than 90% of the planned final size of the Academy, as specified in the Academy's Supplemental Agreement, and has not at any previous time been greater than 90% of that number.

Multi Academy Model Mainstream

94. For any Academy Financial Year in which GAG for the Academy has been calculated in accordance with clause 91, no adjustment shall be made to the following Academy Financial Year's formula funding element of GAG for that Academy to recognise variation from the pupil count basis used.
95. For any Academy Financial Year in which GAG for the Academy is calculated in accordance with clause 92, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on costs, such as an extra class. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.
96. The Secretary of State recognises that:
- a) If the Academy opens with an intake representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the Academy Financial Years before all age groups are present at their planned size (the "Start-up Period") because of a lack of economies of scale. The Secretary of State may pay an appropriately larger GAG in the Start-up Period than would be justified solely on the basis of the methods set out in clauses 89 to 95, in order to enable the Academy to operate effectively¹;
 - b) If the Academy opens with pupils transferred from one or more maintained schools which have closed, additional GAG resources may be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the

¹ Note that a larger GAG for the Start-Up Period is only applicable to Academies with approved Expressions of Interest.

Multi Academy Model Mainstream

closed schools and, where necessary, to offer a dual curriculum. If the Secretary of State has indicated that such additional GAG will be payable, the Company will make a bid for this addition to GAG based upon need and providing appropriate supporting evidence.

97. During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 43 to 49 to allow the Academy to:
- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
 - b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

98. The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement under that agreement the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 89 to 95, in order to enable the Academy to operate effectively.
99. The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the Academy is likely to decline. In these circumstances both parties undertake to attempt to resolve issues

Multi Academy Model Mainstream

arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

100. Subject to clause 117, GAG paid by the Secretary of State in respect of the Academy shall only be spent by the Company towards the normal running costs of that Academy.

Earmarked Annual Grant

101. Earmarked Annual Grant (“EAG”) shall be paid by the Secretary of State to the Company in respect of either recurrent or Capital Expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Company and as described in the relevant funding letter. The Company shall only spend EAG in accordance with the scope, terms and conditions of the grant set out in the relevant funding letter.
102. Where the Company is seeking a specific EAG in relation to any Academy Financial Year, it shall submit a letter outlining its proposals and the reasons for its request to Academies Division, Sanctuary Buildings, Great Smith Street, London SW1P 3BT.

Arrangements for Payment of GAG and EAG

103. The Secretary of State shall notify the Company at a date preceding the start of each Academy Financial Year of the GAG and EAG figures in respect of the Academy which, subject to Parliamentary approval, the Secretary of State plans for that Academy Financial Year and of the assumptions and figures on which these are based.
104. If GAG or EAG is calculated incorrectly due to a mistake of the Secretary of State then:
 - a) if this leads to an underpayment of GAG, the Secretary of State will correct the underpayment in subsequent Academy Financial Years;
 - b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent

Multi Academy Model Mainstream

Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.

105. If GAG or EAG is calculated incorrectly because the Company provides incorrect information to the Secretary of State then;
 - a) if this leads to an underpayment of GAG, the Secretary of State may correct the underpayment in subsequent Academy Financial Years;
 - b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.
106. The amounts of GAG for an Academy Financial Year will be determined annually by the Secretary of State. The amount of GAG for the Academy for the initial Academy Financial Year will be notified to the Company in a funding letter at a date preceding that year. For subsequent years the amount of GAG will be notified to the Company in a funding letter preceding that Academy Financial Year (the "Annual Letter of Funding"). The Annual Letter of Funding will not include the amount that the Company will receive in respect of grants for which information to enable timely calculation is not available or is incomplete, such grants will be notified as soon as practicable later in the year. Amounts of EAG will be notified to the Company wherever possible in the Annual Letter of Funding or as soon as practicable thereafter.
107. The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the Annual Letter of Funding.

Other relevant funding

108. The Secretary of State may meet costs incurred by the Company in connection with the transfer of employees from any predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Company shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.
109. The Company may also receive funding from an LA in respect of the provision detailed in statements of SEN for pupils attending an Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Company shall ensure that all provision detailed in statements of SEN is provided for such pupils.”

Financial and Accounting Requirements

- 8.29 Clauses 111 to 113 in the Master Agreement do not apply to this Agreement and are replaced with the following new clauses 111 to 113 for the purpose of this Agreement;

“111. In relation to the use of grant paid to the Company by the Secretary of State, the Company shall abide by the requirements of and have regard to the guidance in the Academies Financial Handbook published by the DfE and amended from time to time and as modified to take account of the fact that the Company manages more than one Academy, which sets out in detail provisions for the financial management of each Academy including guidance on financial systems and controls and accounting and reporting requirements, in so far as these are not inconsistent with any accounting and reporting requirements and guidance that it may be subject to by virtue of its being a charity.

- d) a statement of the accounting policies used should be sent to the Secretary of State with the financial statements and should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of the Company's affairs and that the grants were used for the purposes intended;

Annex 1

REQUIREMENTS FOR THE ADMISSION OF PUPILS TO THE ACADEMY

GENERAL

1. This annex may be amended in writing at any time by agreement between the Secretary of State and the Company.

2. Except as provided in paragraphs 2A to 2B below the Company will act in accordance with, and will ensure that an Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code, and the School Admission Appeals Code published by the Department for Education (“the Codes”) as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or legislation to “admission authorities” shall be deemed to be references to the Directors of the Company.

2A The Company is permitted to determine admission arrangements (subject to consultation in accordance with the School Admissions Code) that give priority for admission (but not above looked after children and previously looked after children) to other children attracting the pupil premium, including the service premium (‘the pupil premium admission criterion’). Where a Company exercises this freedom it will provide information in its admission arrangements of eligibility for the premiums.

2B For the purposes of applying the pupil premium admission criterion only, sections 1.9(f) and 2.4(a) of the School Admissions Code do not apply insofar as they prevent admission authorities from giving priority to children according to the financial or occupational status of parents or using supplementary forms that ask for:

- any personal details about their financial status; or
- whether parents are serving in the armed forces (of any nation), stationed in England, and exercising parental care and responsibility for the child in question.

3. Notwithstanding the generality of paragraph 2 of this Annex, the Company will participate in the co-ordinated admission arrangements operated by the Local Authority (LA) and the local Fair Access Protocol.

4. Notwithstanding any provision in this Annex, the Secretary of State may:

- (a) direct the Company to admit a named pupil to the Academy on application from an LA. This will include complying with a School Attendance Order. Before doing so the Secretary of State will consult the Company;
- (b) direct the Company to admit a named pupil to the Academy if the Company has failed to act in accordance with this Annex or has otherwise

Multi Academy Model Mainstream

failed to comply with applicable admissions and equalities legislation or the provisions of the Codes;

- (c) direct the Company to amend its admission arrangements where they fail to comply with the School Admissions Code or the School Admission Appeals Code.

Relevant Area

5. Subject to paragraph 7, the meaning of “Relevant Area” for the purposes of consultation requirements in relation to admission arrangements is that determined by the local authority for maintained schools in the area in accordance with the Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999.

6. If the Company does not consider the relevant area determined by the local authority for the maintained schools in the area to be appropriate, it must apply to the Secretary of State by 1 August for a determination of the appropriate relevant area for the Academy, setting out the reasons for this view. The Secretary of State will consult the Company and the LA in which the Academy is situated in reaching a decision.

Requirement to admit pupils

7. Pupils on roll in any predecessor maintained or independent school will transfer automatically to the Academy on opening. All children already offered a place at any predecessor school will be admitted.

8. The Company will:

- a. subject to its right of appeal to the Secretary of State in relation to a named pupil, admit all pupils with a statement of special educational needs naming the Academy;
- b. determine admission oversubscription criteria for the Academy that give highest priority to looked after children and previously looked after children, in accordance with the relevant provisions of the School Admissions Code.

Oversubscription criteria, admission number, consultation, determination and objections.

9. The Academy admission arrangements will include oversubscription criteria, and an admission number for each relevant age group. The Company will consult on the Academy’s admission arrangements and determine them in line with the requirements within the School Admissions Code.

10. The Office of the School’s Adjudicator (OSA) will consider objections to the Academy’s admission arrangements. The Company should therefore make it clear, when determining the Academy’s admission arrangements, that objections should be submitted to the OSA.

Multi Academy Model
Mainstream

11. A determination of an objection by the OSA will be binding upon the Academy and the Company will make appropriate changes as quickly as possible.

Annex 2

Arrangements for pupils with Special Educational Needs ('SEN') and disabilities at Mainstream Academies

Duties in relation to pupils with SEN

1. The Directors of the Company must, in respect of each **Mainstream Academy**, comply with all of the duties imposed upon the governing bodies of maintained schools in;
 - Part 4 of the Education Act 1996 as amended from time to time;
 - The Education (Special Educational Needs) (Information) Regulations 1999 as amended from time to time;
 - The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2008 as amended from time to time.
2. Notwithstanding any provision in this Agreement, the Secretary of State may (whether following a complaint made to him or otherwise) direct the Company to comply with an obligation described in this Annex where the Company has failed to comply with any such obligation.
3. Where a child who has SEN is being educated in a **Mainstream Academy**, those concerned with making special educational provision for the child must secure that the child engages in the activities of the school together with children who do not have SEN, so far as is reasonably practicable and is compatible with:
 - (a) the child receiving the special educational provision which his learning difficulty calls for,
 - (b) the provision of efficient education for the children with whom he will be educated, and
 - (c) the efficient use of resources.
4. In addition to complying with the duties imposed upon the governing bodies of maintained schools set out in The Education (Special Educational Needs) (Information) Regulations 1999 (as amended from time to time) the Company must ensure that the website for each Academy includes details of the implementation of its policy for pupils with special educational needs; the arrangements for the admission of disabled pupils; the steps taken to prevent disabled pupils from being treated less favourably than other pupils; and the facilities provided to assist access to the Academy by disabled pupils

Multi Academy Model Mainstream

(disabled pupils meaning pupils who are disabled for the purposes of the Equality Act

2010).

Admissions

5. The Company must ensure that for each **Mainstream Academy** pupils with SEN are admitted on an equal basis with others in accordance with the Academy's admissions policy.

6. Where a local authority ("LA") proposes to name a **Mainstream Academy** in a statement of SEN made in accordance with section 324 of the Education Act 1996, it must give the Company written notice that it so proposes. Within 15 days of receipt of the LA's notice that it proposes to name the Academy in a statement, the Company must consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children; and where no reasonable steps may be made to secure compatibility. In deciding whether a child's inclusion would be incompatible with the efficient education of other children, the Company must have regard to the relevant guidance issued by the Secretary of State to maintained schools.

7. If the Company determines that admitting the child would be incompatible with the provision of efficient education, it must, within 15 days of receipt of the LA's notice, notify the LA in writing that it does not agree that the Academy should be named in the pupil's statement. Such notice must set out all the facts and matters the Company relies upon in support of its contention that: (a) admitting the child would be incompatible with efficiently educating other children; and (b) the Company cannot take reasonable steps to secure this compatibility.

8. After service by the Company on the LA of any notice (further to paragraph 7 above) stating that it does not agree with the LA's proposal that the Academy be named, the Company must seek to establish from the LA, as soon as is reasonably practicable, whether or not the LA agrees with the Company. If the LA notifies the Company that it does not agree with the Company's response, and names the Academy in the child's statement, then the

Company must admit the child to the school on the date specified in the statement or on the date specified by the LA.

9. Where the Company consider that the Academy should not have been named in a child's statement, they may ask the Secretary of State to determine that the LA has acted unreasonably in naming the Academy and to make an order directing the LA to reconsider.
10. The Secretary of State's determination shall, subject only to any right of appeal which any parent or guardian of the child may have to the First-tier Tribunal (Special Educational Needs and Disability), be final.
11. If a parent or guardian of a child in respect of whom a statement is maintained by the local authority appeals to the First-tier Tribunal (Special Educational Needs and Disability) either against the naming of an Academy in the child's SEN statement or asking the Tribunal to name an Academy, then the decision of the Tribunal on any such appeal shall be binding and shall, if different from that of the Secretary of State under paragraph 9 above, be substituted for the Secretary of State's decision.
12. Where the Company, the Secretary of State or the First-tier Tribunal (Special Educational Needs and Disability) have determined that it should be named, the Company shall admit the child to the Academy notwithstanding any provision of Annex 1 of the Supplemental Agreement of that Academy.
