If the Company is of the opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the "Critical Year") and of the taking into account all other resources available and likely to be available to the Academy, including such funds as are set out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company ("All Other Resources"), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

time being of the Specialist Schools and Academies Trust. The educational specialist's fees shall be borne equally between the parties.

5.15 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert's determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.

Annex 1

REQUIREMENTS FOR THE ADMISSION OF PUPILS TO SAYES COURT SCHOOL

GENERAL

1. This annex may be amended in writing at any time by agreement between the Secretary of State and the Company.

2. Except as provided in paragraphs 2A to 2B below the Company will act in accordance with, and will ensure that an Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code, and the School Admission Appeals Code published by the Department for Education (“the Codes”) as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or legislation to “admission authorities” shall be deemed to be references to the Directors of the Company.

2A The Company is permitted to determine admission arrangements (subject to consultation in accordance with the School Admissions Code) that give priority for admission (but not above looked after children and previously looked after children¹) to other children attracting the pupil premium, including the service premium (‘the pupil premium admission criterion’). Where a Company exercises this freedom it will provide information in its admission arrangements of eligibility for the premiums.

2B For the purposes of applying the pupil premium admission criterion only, sections 1.9(f) and 2.4(a) of the School Admissions Code do not apply insofar as they prevent admission authorities from giving priority to children according to the financial or occupational status of parents or using supplementary forms that ask for:

- any personal details about their financial status; or
- whether parents are serving in the armed forces (of any nation), stationed in England, and exercising parental care and responsibility for the child in question.

3. Notwithstanding the generality of paragraph 2 of this Annex, the Company will participate in the co-ordinated admission arrangements operated by the Local Authority (LA) and the local Fair Access Protocol.

4. Notwithstanding any provision in this Annex, the Secretary of State may:

- (a) direct the Company to admit a named pupil to Sayes Court School on application from an LA. This will include complying with a School

¹ As defined in the School Admissions Code.

Multi Academy Model

- b. determine admission oversubscription criteria for the Academy that give highest priority to looked after children and previously looked after children, in accordance with the relevant provisions of the School Admissions Code.

Oversubscription criteria, admission number, consultation, determination and objections.

10. The Academy admission arrangements will include oversubscription criteria, and an admission number for each relevant age group⁴. The Company will consult on the Academy's admission arrangements and determine them in line with the requirements within the School Admissions Code.

11. The Office of the School's Adjudicator (OSA) will consider objections to the Academy's admission arrangements⁵. The Company should therefore make it clear, when determining the Academy's admission arrangements, that objections should be submitted to the OSA.

12. A determination of an objection by the OSA will be binding upon the Academy and the Company will make appropriate changes as quickly as possible.

⁴ 'Relevant age group' means 'normal point of admission to the school, for example, year R, Year7 and Year 12.

⁵ The OSA has no jurisdiction to consider objections against the agreed variation from the Codes set out in paragraphs 2A and 2B.
